Valerie Brust

Mrs. Brust
Thank you for
all the help you
gave me. I don't know
a teacher what could
understand a person better.
Hope you have a really nice
time in your new house (Good Luck with your home)
People get and forget (I'll alright
others give and forgive
and I'm proud to say
you forgive and one and give
everyone help who needs it and I'm
sure every one love's you for it.
Even though I really don't like sewing
I had a lot of fun in your class.
Hope you have a really nice summer and
I'll see you next year. God Bless You

Dear
Mrs Brest,
Well what
Can I say about
one of the crazyest
teachers on campus.
I'm not going to tell
you all I have some stuff
so I guess I have nothing
to say but have a
fantastic life with
the hubbie
Love
Carol
Bello

Dear
Mrs Brest
Thank you for
everything you
have done for
me. You helped me
so much, I will
always remember
you for it. Take
care and have a
happy.
Always

Dear Mrs. Brust,
Thank you for all the help you gave me. I would have never made through this year if it wasn't for all my teachers Being so understanding and patient with me.
I hope you have a nice summer and try to keep health and happy.
I hope you future years at Northside are rewarding.
I come Back and visit you someline
Best wishes

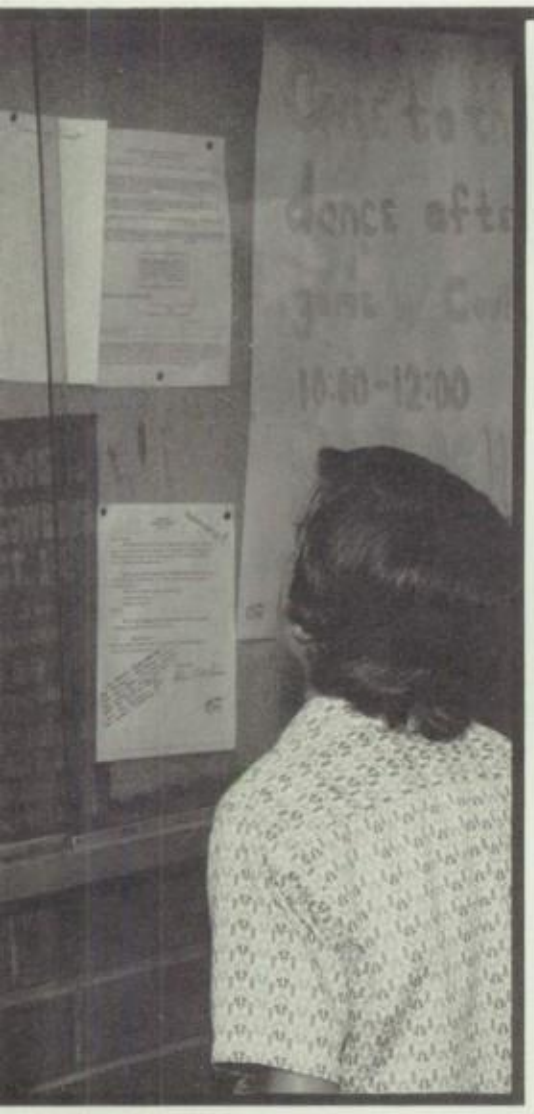
made two-dimensional,



Dear Mrs. Brust,

I sure you know that I think more of you than just a nice teacher but also as a very nice person. I would like to thank you for all your attention to not only me but to each and every person in our class. I do think that they should make this class 2 hours instead of one. There is so much I could say about the nice things you have done for me, but I don't have the time or space. Love

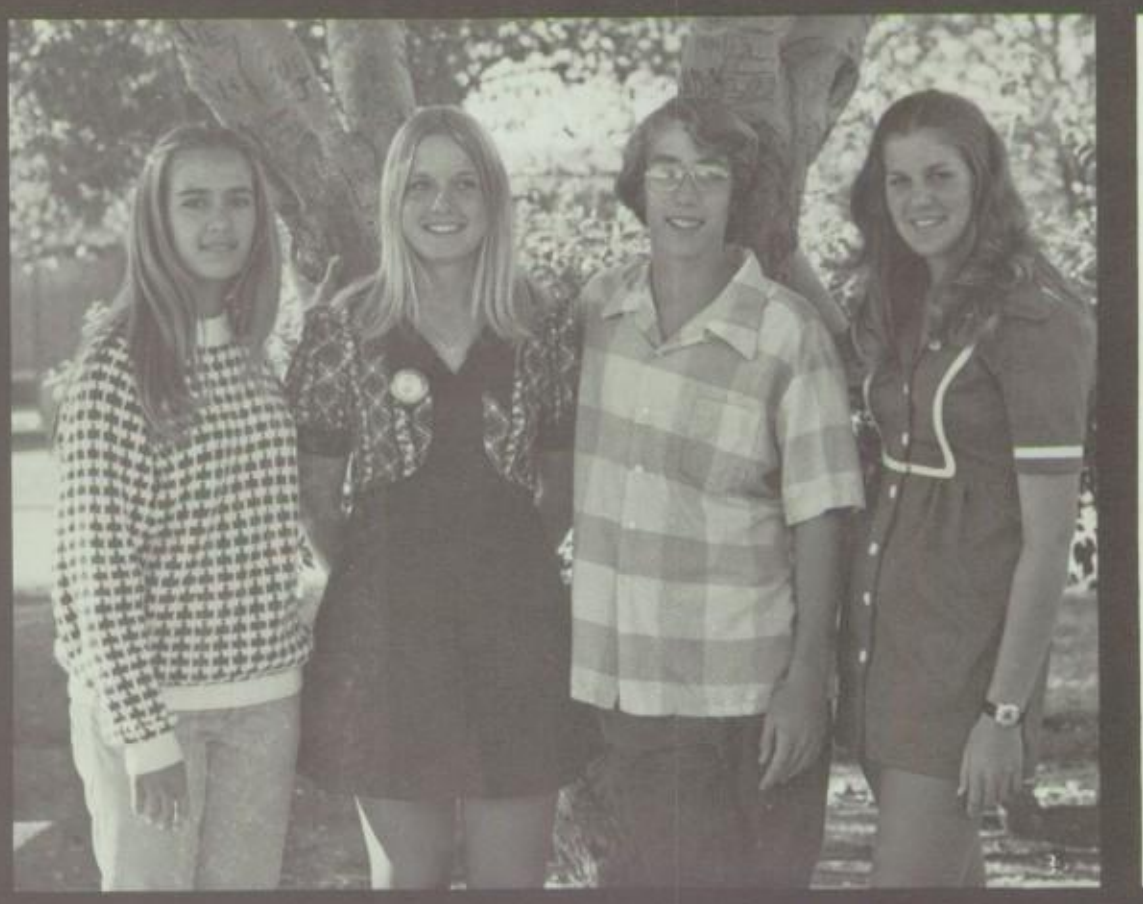
A.S.B. PRESIDENT

Hard-working and determined David Escobedo participated in student government as Sophomore Vice-President and as a member of class council. However, when elections came up at the end of his junior year, he decided it was time to lead the students into a year they would never forget.

As A.S.B. President it was his duty to preside over all Leadership and Cabinet meetings, which he did extremely well. David has shown the ability to help, to encourage, and to guide the students throughout his year as President. He has reached the goal of making 73-74 a year that will always be in our memories as one of the best.

Coordinator of Publicity
Jeff Fleming

1. Senior Legislators: Pam Jarvis, Jeff Lane, Jill Kanoa, Sue Gray. Junior Legislators: Roxanne Fisher, Peggy Ahrens, Tony Camasta, Karon Hyslop. 2. Sophomore Legislators: Tina Brophy, Cindy Stevens, Dina Dellosa, Freshmen Legislators: Cindy Giamo, Yvette Brophy, Stacy Brooks, Ellen Vaughn. 3. Class presidents: Dolly Kelepez, Senior; Taylor Browman, Junior; Tammy Richards, Sophomore; Terry Asbury, Freshman. 4. Advisors: Presidential Jessica Doss, John Irvin. Vice Presidential Rob Garretson, Becky Gardner.



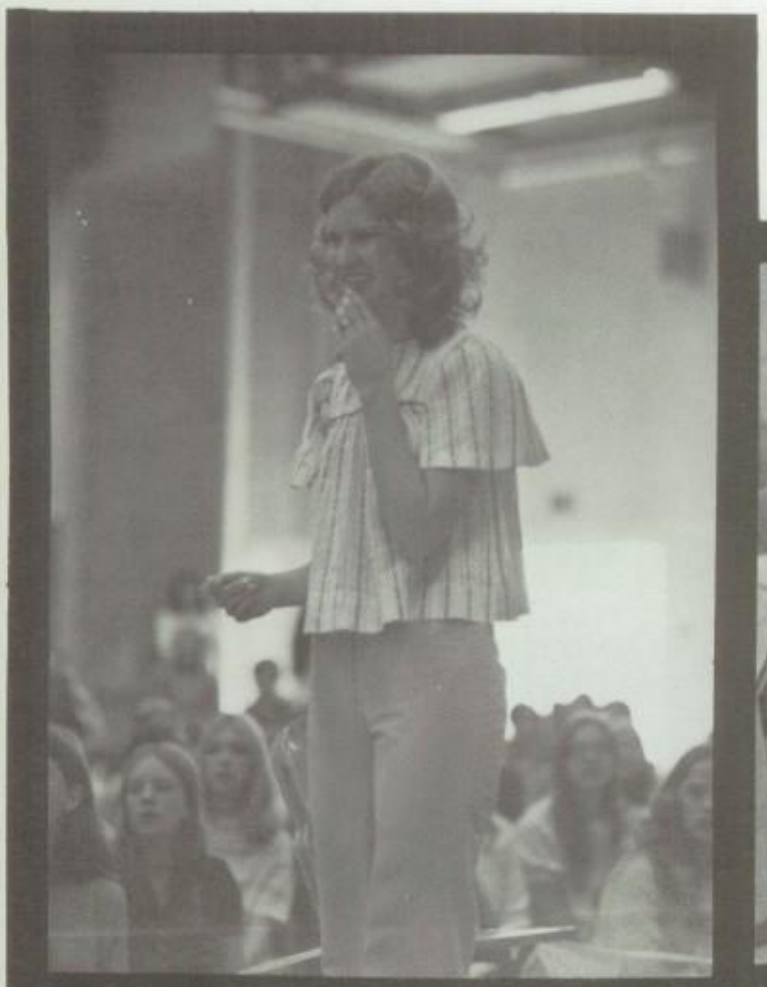
A.S.B. VICE-PRESIDENT

Enthusiastic Linda Ewry has shown her ability as a leader many times during her four years at Northview. She has been involved in A.S.B. as a freshman and sophomore class legislator and in her junior year was Coordinator of Special Events.

As A.S.B. Vice-President, Linda's duties consist of organizing assemblies and presiding over Inter-Club Council meetings as well as helping out Dave whenever needed.

Coordinator of Pep
Laura Carter

Coordinator of Special Event
Jeanine Custer



LEADERSHIP

The class presidents and legislators and A.S.B. officers, which make up Leadership, all did their best to help David and Linda reach their goals while trying to reach goals they had set for themselves. Besides the tedious jobs of budgeting, approving activities, and getting up early enough to make the 7:30 meetings, they bought the new marque which stands proudly in front of the Administration office. All of the students had other responsibilities, yet they gladly found time to settle matters which came up before them.

On behalf of the students, the VIKING STAFF would like to extend a big THANK YOU to Leadership.

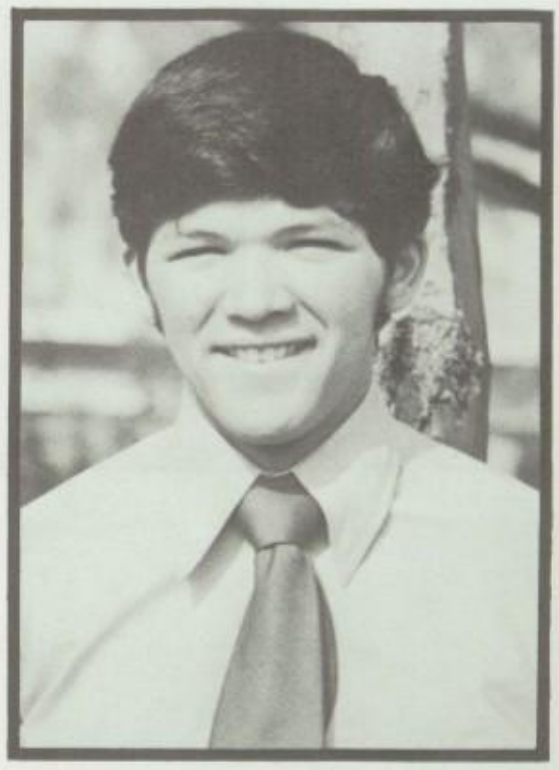
Each year the Montview League gives recognition to five students from each of the league member schools. This year's outstanding personalities represented Northview at the Montview League Honors Banquet. To be considered for the award each must have maintained a high academic standard, and have participated actively in school events.

The following, in no specific order, along with their accomplishments, are this year's Montview League five.

LAURA CARTER: Besides being Coordinator of Pep, an active member of Pep Club and a varsity cheerleader, Laura has shown her interest in school spirit by serving as a frosh basketball statistician and a varsity and J.V. wrestling statistician. Musically, she has been in Women's Choir, Viking choir, Chamber Singers, and has been the treasurer of Clef Dwellers. She has also shown her enthusiasm by participating in Girls' League and as a member of Leadership she was one of Northview's representatives at the Montview League Forum.

JEANNINE CUSTER: Always playing an important role, Jeannine has held such offices as sophomore class treasurer, junior class president and has been an active member of class council. Aside from her participation in Drama Club and Idunians, she has been Coordinator of Special Events. Her interest in music has shown itself by her memberships in Women's Choir, Viking Choir, and her work on the crew for the BOYFRIEND. Active in sports, Jeannine has been a basketball statistician, has played on the Powder Puff football team, and has been active in G.A.A.



Dave Escobedo

What do you mean my ti

DAVE ESCOBEDO: As a member of the Varsity and J.V. basketball and football teams, and as the recipient of football's Most Inspirational Player Award, Dave has shown his outstanding athletic talent. A very active person on our campus, he has been sophomore class president as well as a member of class council and A.S.B. President.

LINDA EWRY: Excelling in leadership, Linda has held the positions of freshman and sophomore legislator, has been a member of class council (4yrs.), Coordinator of Special Events, and A.S.B. vice-president. Linda's well rounded activities also include the Viking Staff, Girls' League (Soph. Rep.), G.A.A., Womens Choir and Peacemakers. She was chosen as the D.A.R. Good Citizen, Girl of the Year and was a princess on the Basketball Royalty Court.

DENISE BENNETT: As a very active person in the field of music, Denise has been in Women's Chorus, Concert Choir, Viking Choir, and Chamber Singers. Furthering her interest, she has also been secretary of Folk Club and president of Clef Dwellers. As for her other school activities, she has been in G.A.A., head of costumes for the drama production THE BAD SEED, and A.S.B. treasurer.

Girl of the Year
Linda Ewry

Every year the elected eight Girls' League representatives, two from each class, choose ten girls considered to be attributes to Northview and honor each of them as a Girl of the Month.

The year had a roaring start naming Pam Jarvis, Girls' League president, as September Girl of the Month. The following month active Linda Ewry was honored and November was awarded to G.A.A.'s president, Kathy Margison. The VIKING editor, Jessica Doss was singled out as December and delightful Jeannine Custer earned January. Sue Gray acclaimed honors for February and head cheerleader, Diana Alley was named March Girl of the Month. April was awarded to Marklinian president, Jill Kanoa, and flag twirler Sandy Cimino was chosen as the May recipient. The year came to a close as head flag twirler Chris Krumm was named June Girl of the Month.

From these ten senior girls Linda Ewry was chosen as the "most outstanding" and was named Girl of the Year for 1974.

To all Vikings,

My stay with you Vikings at N.V.H.S. was so great. I learned a lot about myself, I would like to say thanks to everybody for being nice friends.

Of all the things, I'm gonna miss the rallies, the Viking cheerleaders, and football. In Ethiopia we play soccer. I enjoyed watching football a lot. I know I'll miss you all, but I'll still have the Viking spirit with me.

I would like to say a special thank you to my American family, specially to my mom and dad, Virginia and Lars Ahrens, for being kind and wonderful. Thanks to all my teachers for being helpful to me and special thanks to COUNSELING and A.S.B.

I'll never forget N.V.H.S., and you "Vikings" don't you ever forget me and Ethiopia.

Young Men of the Months

The Covina Lions Club sponsors Northview's Young Men of the Month. This award is the acknowledgement of senior boys who have been involved in school and community activities, but have not previously received recognition for their accomplishments. The boys are selected by use of information turned in by teachers and students. This year's Men of the Month have participated in many functions which prove they are well deserving.

Girls' State

Helen, you forgot your tights.

W-a-i-t a minute. I never said that.

Second period P.E. is just too cold.

Hey! That's my coke you're drinking.

Helen Halink

At the end of each year a junior girl is chosen by the faculty to represent Northview during the summer at Girls' State. This year's representative at Squaw Valley was Helen Halink.

The purpose of the Girls' State Convention is to learn how a democratic government is run. Helen attended classes with the other representatives and, using what they learned, the girls held their own political conventions. A member of the Whig party, Helen campaigned for her party's presidential nominee.

The ten days Helen spent at Girls' State were an opportunity she appreciated and one she will never forget.

What a rough life.

Uh, what was I supposed to say?

Gee Dave, what a handsome smile.

Look, Sue! There's a man on the roof.

Dave Escobedo

Boys from all over California went to the University of Sacramento to represent their school at Boys' State. The junior boy chosen last year to represent Northview was Dave Escobedo.

Boys' State is sponsored by the American Legion. Its purpose is to give boys an opportunity to compare their ideas on the United States governmental system.

As a result, Dave went to classes where he learned about our government and holding elections. In addition to this, the boys learned more by dividing into parties, attending party meetings, and holding elections. In one of these elections Dave was elected city treasurer.

Attending Boys' State gave him a better understanding of his government and of how problems develop and how they could be avoided.

Various scholastic honors are offered each year to outstanding high school seniors. The following are some of the honors received by students of Northview.

Bank of America certificates and plaques are presented during the spring semester on the basis of teacher recommendation. Certificates are awarded in ten specific categories and plaques are awarded in four general fields. Plaque winners are elibigle to compete in furthur competition with students from other schools for $1,000 awards.

Scores received on the PSAT/NMSQT taken during the junior year are the basis for receiving the National Merit Letter of Commendation. Some students who receive this award are able to compete for semi-finalist honors. A few semi-finalists are able to advance to finalist standings based on their high school records, further testing, and recommendation by school officials.

The Governor's Scholars' Award is based entirely on students' academic achievements. In order to receive this award a student must have received all semester grades of A with no more than three B's, in all classes including physical education.

CSF Life Membership is achieved when a student has been in CSF during four semesters, during grades ten through twelve, with at least one semester of membership occurring during the senior year.

The Pasadena Greater San Gabriel Chapter of the National Football Foundation and Hall of Fame each year selects outstanding valley athletes to receive the Scholar Athlete award. It is based on the athletes' academic records and their accomplishments and contributions to this and past football seasons.

THE VOICE

The day was one of hate.
The sun didn't shine,
The wind didn't blow,
The people didn't talk.
Then, from nowhere to be seen
There came a voice.
"I love you," it said.
The wind began to blow,
The sun shone through the clouds,
The people talked of life.
And the voice said,
"I will love you forever."
So, the new day never ended.

of darkness born
his mind
    is one of black lace intricacies
the curtain lifted, for awhile,
in hopes of bleaching
black lace
to white
but somewhere along the time line
the curtain fell, refusing sunlight
and me
  I have been his lady all my life
  because of stars
      on windy nights
    opals
      in antique settings and
    the devil
      in fantasia
  there are so many reasons why
  I love him.
  I would like to give him a stained glass window
  made of sunlight and
  an ageless demon that lives inside
  my head
    because I know they'd be so much
    to his liking
  but the only things that
  are mine
    to give
  are all the mornings I've
  yet to live.
  My life is all I have
  to win him with
and just as the curtain
begins to lift
a storm cloud passes by and
darkness falls again.
But I feel like I'm
just being born
like a shaft of sunlight
penetrating the darkest redwood glen
like the sea
when it wears diamonds.
  There are so many reasons why
  I love him.

Anyway God has [illegible] shown me a lot of good people. This year at Northland has shown that. With teachers, students + staff it is very apparent Well I'm got to sign off But not without say that I love you dearly as a teacher, a person + a friend + I'll try to see you next year because I don't ever want to get out of contact with you. God Bless you

Mrs. Bust,
I'm really glad I got you as a teacher this semester. I don't think I would have liked anyone else as well. I don't think of you as being a teacher. I hope you take that as a compliment because it was supposed to be.
You're really a super nice person.
Have a great summer and stay out of accidents!!!
Love,
Chris

ADMINIS-TRATION

Under the supervision of Principal Roy H. More, with assistance from Vice-Principal Floyd E. Roenike, Northview has become a school where teachers and students work together.

They strived to improve the citizenship of students in the classroom and while at school-sponsored activities. Students have become more aware of laws and opportunities because of Mr. Moore's and Mr. Roenicke's efforts. Concern was placed on how students carry out responsibilities at school and at home. These goals were achieved by improvement of each program by administrators, teachers, and students.

Both men worked very hard at making Northview a school which can be looked upon as an example of successful cooperation between staff and students.

The littlest angels?

Our spirit is sky high!

VICTORY! 26 to 0.

Now, I ain't gonna steer you wrong.

"Let's sit here so we can see the princesses coming down the red carpet."

"Okay! Oh, aren't you excited! I can't wait to see who makes queen. Who do you think will get it?"

"I don't know; they all deserve it."

"Haven't you picked one?"

"Well, Pam Jarvis is president of Girls' League and was a flag twirler for two years and Sue Rampenthal is head song leader and president of Drama Club!"

"Yeah, and Teri Cunniff was freshman class treasurer and is a Varsity cheerleader."

"Don't forget Diana Alley. She's head Varsity cheerleader and was vice-president of Pep Club."

"But Sandy Cimino was a flag twirler for two years and a freshman class legislator."

"Oh! There're only a few seconds til halftime and look at the score; we're winning 14 to 0!"

"Hey, here comes our band and drill team onto the field. And look at the princesses in their sudan chairs!"

"Wow! They sure are pretty. The clubs really did a good job on them with the theme . . . 'Return to the Valley of the Nile.!"

"Look, their dads are escorting them, I bet they're really proud."

"There's last year's Homecoming Queen, Mrs. Sandy Mason Ross, to crown our 1973 Homecoming Queen!"

"I sure wish she'd stop going back and forth and crown somebody!"

"Wait, she's coming this way . . . no, she's going back that way . . . no, she's coming back this way!"

"SUE RAMPENTHAL!!!"

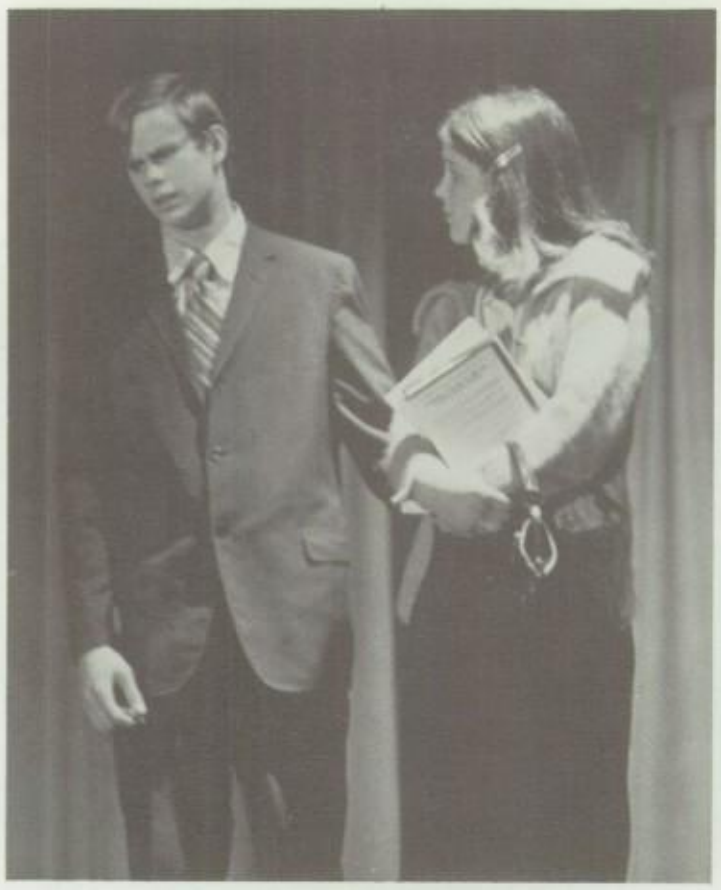
"I'll never forget this night for the rest of my life. Everything went great. We have a beautiful Homecoming Court, and we annihilated the Nogales Nobles 26 to 0!"

"Lets hurry so we can get to the Homecoming dance and congratulate Sue!"

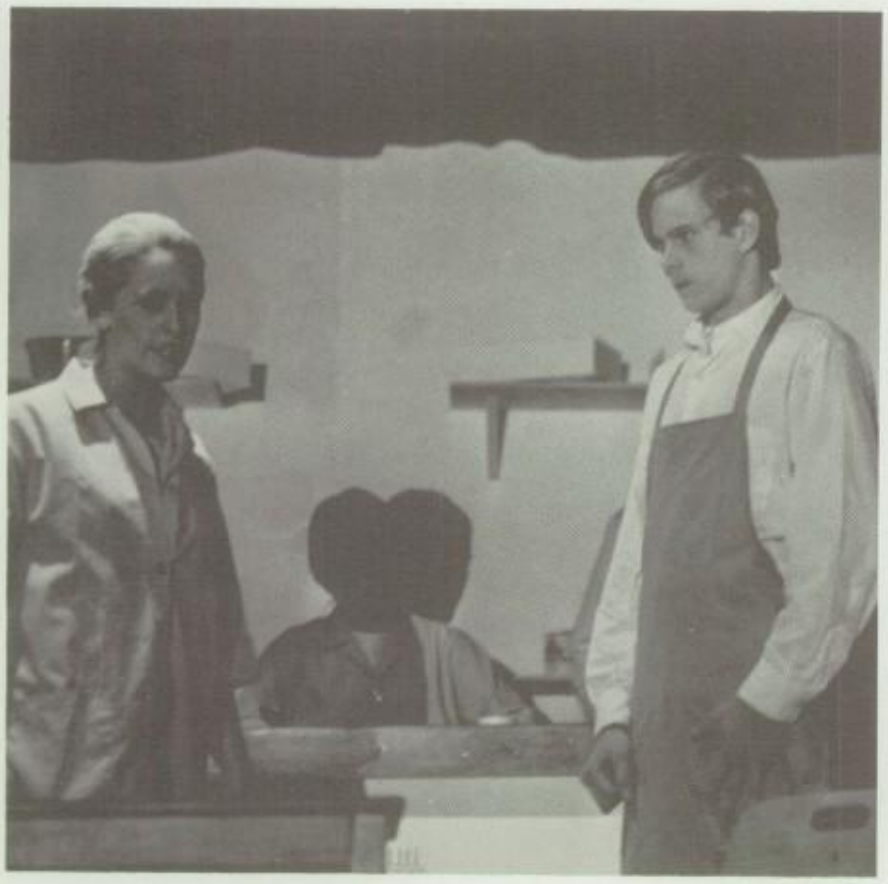
"Okay, and I hear the band is Cecil and they're really fantastic."

"Homecoming is the most wonderful part of the year. I'm sad that it's over, but we'll have it in our memories forever!"

FLOWERS FOR ALGERNON

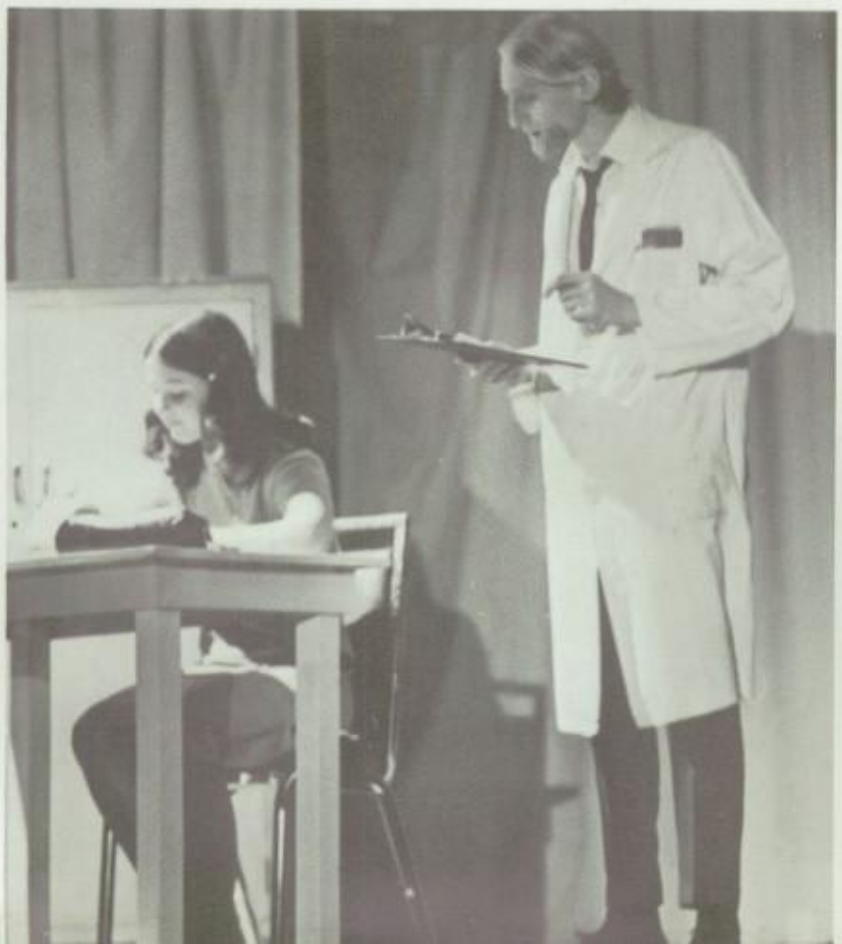


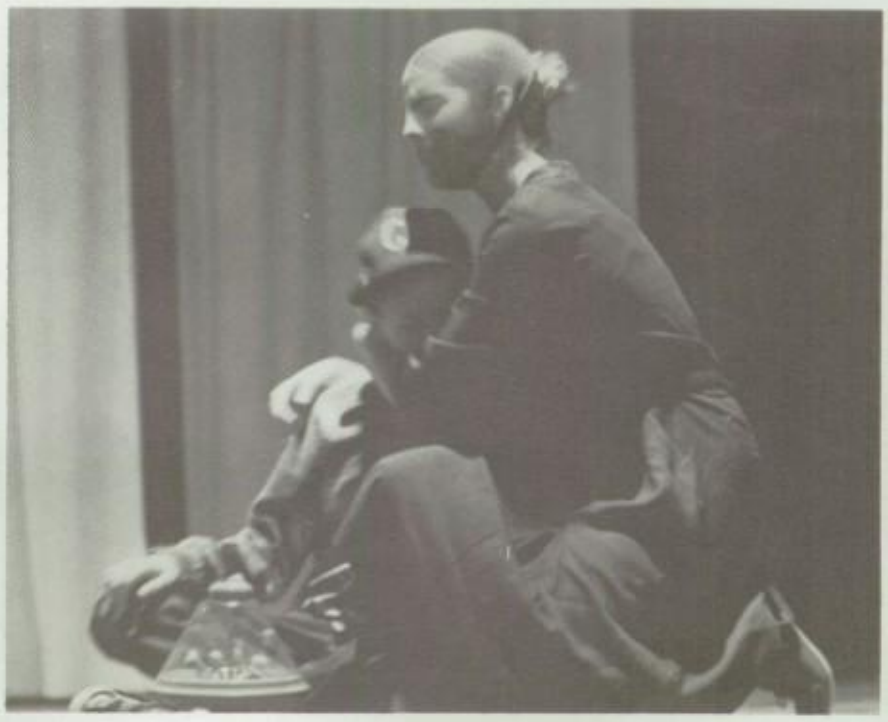
"I know I've changed..."



"Nobody's blaming you Charlie!"

"I say we do it now!"





"I'll protect you, Charlie!"

"Let's go to Luigis'. Charlie is a drag at a party."

"He's not going to work with me!"

"I just can't take it anymore!"

"Now, Charlie, what do you see in these ink blots?"

"Gosh! We're lucky we got seats. Look at all the people. Hey! There's Nancy. Hi, Nancy!"

"Shh! The curtain's going up."

"That must be Charlie's room, and there's the bakery, and the lab, and is that the doctor's office?"

"Well, since Ralph Purfor and Terry Steege are the doctors and since they're over there, it's pretty obvious that it's the doctor's office."

"Oh. Hey, there's Sue Rampenthal. Gosh, she really looks like a teacher, huh? I think Mrs. Hall and her student director, Brad Turner, really did a great job of casting, especially since there are over 40 people in the cast. Gosh, don't Bruce Hatten and Dave Mack look alike? They both have such blue eyes."

"That's probably why they both play the part of Charlie Gordon."

"Yeah, I guess so. Hey, that music is a gas . . . do whack a do . . ."

"Yeah, cute."

"I hope the operation will be a success. I wonder how long before it starts taking effect?"

"I don't know, but if you don't quiet down you'll never find out."

"Gosh. That sure went by fast. Oh, how sad! Charlie's going back to visit his mother, who is played by Kathy Margison. Oh my gosh, she's got a knife! She's going after Charlie. I can't look!"

"You can look now, everything's cooled off."

"Gosh, I feel sorry for Charlie. How would you feel if you knew you were losing your intelligence? And poor Miss Kinnian loves him so much!"

"I'm gonna know how it feels to lose my temper in a minute."

"I still think Charlie shouldn't have sent Miss Kinnian away, 'specially since he loved her too. But I guess it all worked out for the best since Charlie knew he was going to end up in the Warren Home."

"Yeah, I guess so."

"That was so sad (sob), do you have a kleenex?"

"Oh, I was just thinking of the wonderful time we had. Everything was so romantic. Don't you think so?"

"Yea, I guess it was. Hey, I wonder where this road leads to? Want to find out?"

"Wow, those decorations and the band 'Home Brew.' They both created such a mellow atmosphere. Boy, I bet the Girls' League president, Pam Jarvis, really worked hard to have everything come out so beautifully."

"Yea, right. Well, what do you know, another side road. Maybe it's a short cut. Want to take it?"

"I think the theme 'Candlelight and Mistletoe' described the setting perfectly. All the warm feelings of Christmas and a romantic atmosphere all rolled up into one. I think it was the best Christmas Ball we ever had. And Sue Dwyer and Dave Escobedo really are a good King and Queen. Don't you agree?"

"Yea. I think we've run out of roads, but I'm sure we could find one if we tried. Do you want to?"

"Oh, I think all the Prince and Princesses were really wonderful. Wasn't it great?"

"Yea, I had a good time when we were at the Christmas Ball, but I'm concerned about right now. What do you want to do, we're almost home?"

"Oh I just want to go home and dream about the exciting time I had."

"Well, here we are. I'll walk you to the door."

"Gosh, thank you so much for taking me. And thanks for the dinner and corsage and for everything. I really had a good time. Well I better get in. Aren't you going to kiss me good night. . .?"

QUEEN ANNA

It looks like cake, its smells like cake, I sure hope it tastes like cake.

I have an itch on my ballon.

Proud father, lovely daughter.

Vinson maneuvers out of Azusa's defense.

"There's a pretty big crowd here tonight, but then I guess there always is."

"Yeah, well Basketball Royalty is tonight and that probably helped."

"Let's go sit in front so we can get a good view."

"O.K. Are you staying for the dance? Cecil's the band and you KNOW they're good."

"Yeah, I really like their music and it's easy to dance to."

"Wow! Second quarter's almost over and look how close the game is."

"Azusa was ranked pretty high in C.I.F. and we beat 'em the first time we played."

"Oh, look, there's the court. They all look so pretty."

"The've all been pretty active in school too."

"For sure-Anna Avina was J.V. cheerleader and was on cast and crew for FLOWERS FOR ALGERNON and Jill Evenson is a songleader and is in Chamber Singers."

"Linda Ewry is A.S.B. Vice-President and last year was Coordinator of Special Events. Jeannine Custer is Coordinator of Special Events this year and was Junior Class President."

"Don't forget Helen Halink who was head flagtwirler and is Senior Class Secretary."

"The setting of "Summer Breeze" does look really nice. It reminds me of spring what with all the flowers and everything."

"There's last year's queen, Valerie Scalla."

"I bet the court is really nervous."

"Yeah and their dads are escorting them. I bet they're as nervous as their daughters."

"You know sometimes I wish I knew who the queen was before the crowning. Then I wouldn't have to stand the suspense."

"I don't know, the suspense is what makes it fun ... shhhh ... they're gonna crown the queen. There goes Valerie, back and forth, back and forth, back..."

"Hurry it up, will ya!!!!!"

"IT'S ANNA AVINA!!!!!"

"Oh wow! How neat! We'll have to congratulate her at the dance."

"The third quarter's starting. I hope we play as good as the last two quarters."

"You know this game really get's me excited. I guess Basketball Royalty made it that much better."

"I think this year's court was the best ever. They had the prettiest girls."

"Even though it's exciting it's really sad 'cause it's over and I hate to see it go."

valentine's dance

"Wow, look at the decorations," "Red and white streamers and a world in the center. It fits the theme 'Love Makes the World Go Round' perfectly."

"Everything's so romantic. All the couples dancing to the music of Shane. They really are a fantastic band. I just love Valentine's Day! Don't you?"

"Sure. Oh look, there's Jim and Sue. Let's go talk to them."

"I'd rather just go back and sit at our table in the corner."

"O.k. Look, the dance is almost over. I hate to have it end."

"Oh, I wish we didn't have to leave. I was having so much fun."

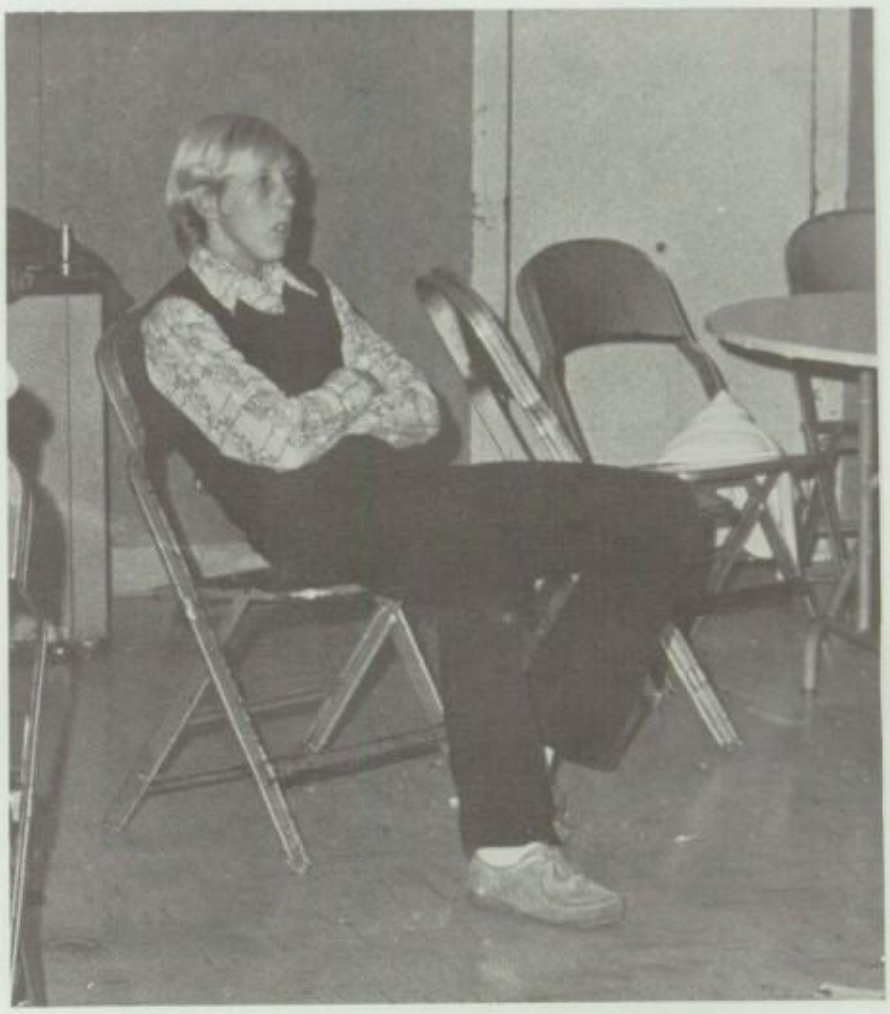
"Yes, but never one like this. The Valentine's dance is always special."

"Let's go. Will I see you tomorrow?, If you want to."

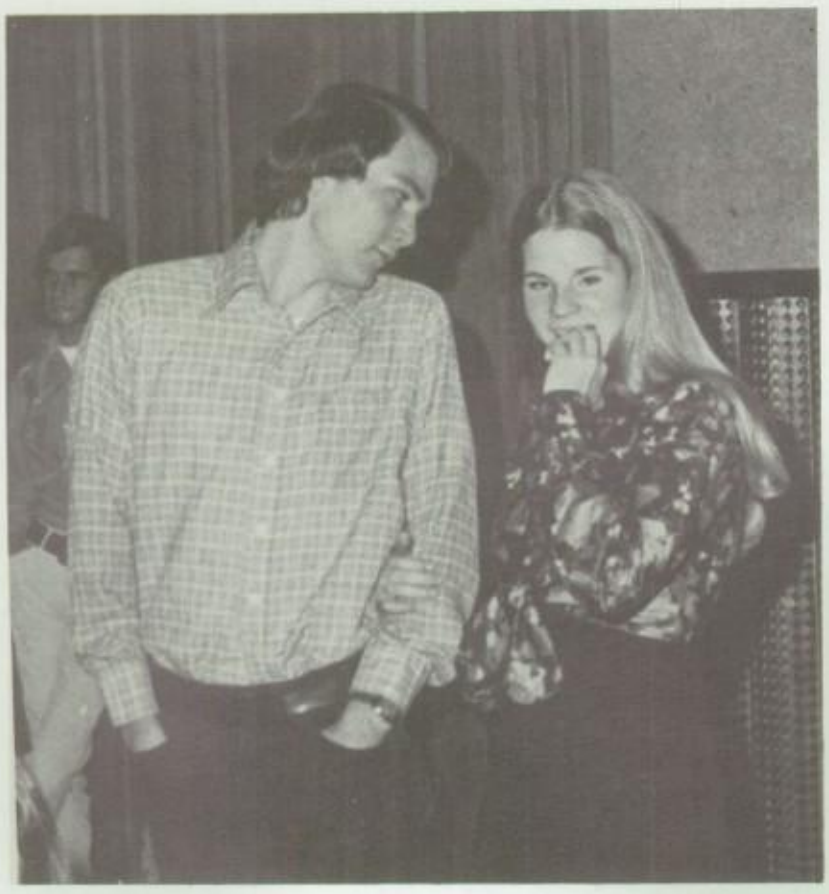
"Ok. I'll call you tomorrow and maybe we can go somewhere. Goodnight and . . . I love you."

"Johnny Be Goode . . ."

"Wanna go outside, Terri?"



"She said she was gonna dance with me."



"Well now Jim, I don't know . . ."

Hey, what do you have under there, flatsy?

Debbie, let go of my boxers!

Neaa...ah...ah!

Sue's got the nine month blues!

"The Pack and their Hot Cycles."

ALL GIRL REVUE

"Did you go to the All Girl Revue last night?"

"No, I couldn't, darn it. What was it like?"

"Oh, it was so funny. The theme of the first half was, "Remember When" and they did skits about what usually happens to a girl between 7th grade and high school graduation. The funny thing about it was that the skits came from the girl's own experiences.

"Oh yeah, and I know how ridiculous that can be. What was the second half like?"

"Well it was made up of songs from the past, like "Leader of the Pack," Calif. Girls,". And then "Along Came Jones," Monster Mash," Gitarzan," and others. You know, it was alot to put together, but the Girls' League President, Pam Jarvis, did a fantastic job of getting it all together. Everyone there enjoyed it, and I'm glad I went too. Too bad you missed it."

"Well, you can be sure that I won't miss it next year."

"Yeah, I can't wait to get inside."
"Let's go!"
"The setting is so romantic."
"It's too bad all we're here for is to serve punch and cake."
"Yeah, but there's always next year when we're seniors."
"Well, I sure would like to go this year. I'd love to dance to the band, COMMITTEE. They play some of the best songs!"
"Hey, we might even be one of the girls on court next year."
"Oh, I don't know, just to be able to dance tonight would be fun."
"I know what you mean . . ."
"The theme 'Just You n' Me' is so romantic, but I sure wish that there was a you because I'm just a me!"
"Hey, they're starting to call up the court!"
"All the girls look so beautiful."
"Yeah, well their escorts don't look too bad either."
"Now, let's see who's all on court. There's Debbie Hopkins and Alexis Vasilchak."
"Oh, and there's Sue Peseone, Sandy Hultsman, and Dolly Kelepecz."
"Boy, I'd give anything to be in their shoes."
"Me, too!"
"Hold on to your seat! They're starting to announce Queen."
"Who do you want for Queen?"
"It doesn't matter to me. They are all deserving."
"I can't argue with that."
"Just think, any second now we'll find out the 1974 Prom Queen."
"It's Sue Peseone!"
"Gosh, I'm glad that's over. I was really getting tense."
"Well I don't think we were the only ones. Everyone was excited."
"The music is starting and the time has passed so fast, it's 11:25 and everyone is going out on the floor for the last dance."
"As the night draws to an end, just think of the many memories that are stored in the minds of each and every couple that was lucky enough to attend and enjoy this 1974 Prom."

Star light, star bright . . .

MARKLINIANS VS THORIANS

"Look! Here come the Marklinians! I wonder if they'll beat the Thorians this time."
"I wonder, too. Thorians haven't lost a game in 8 years. But this year Marklinians have two "A" basketball players."
"Yes, but Thorians have more "A" basketball players who have experience. I'm sure they'll win. Here come the Thorians now!"
"Shhh! They're announcing the starting players."
"The game is starting now!"
"The first quarter is over and Thorians are in the lead. I'll bet they win."
"Don't be too sure."
"Ha! It's the half and Thorians are still leading. What do you have to say now?"
Silence.
"The second half is starting now. Wow! The Marklinians are pulling ahead! They are leading by 8 points at the end of the third quarter. I knew they could do it."
"Just wait, Thorians will catch up. Terri Cunniff is making most of their points. She'll help them win."
"But, Marklinians have Cathy Collins and she's making points right and left. Oh no! Thorians are catching up! Go Marklinians!"
"Go, Thorians, go!"
"At least Marklinians have cheerleaders."
"Thorians don't need them. They're good enough without them. One minute left and Thorians are leading. THEY WON!"
"Yeh, but not by very much. Only 35-28. Look at the Thorians shouting along with their coaches Norm Van Ginkel and Greg Smoyer."
"And look at the Marklinians walking out of the gym with their coaches Scott LaValley and Brian Vinson. Their final words: 'We'll get them next year.'"

ASSEMBLIES

"We've had some fantastic assemblies this year, haven't we?"

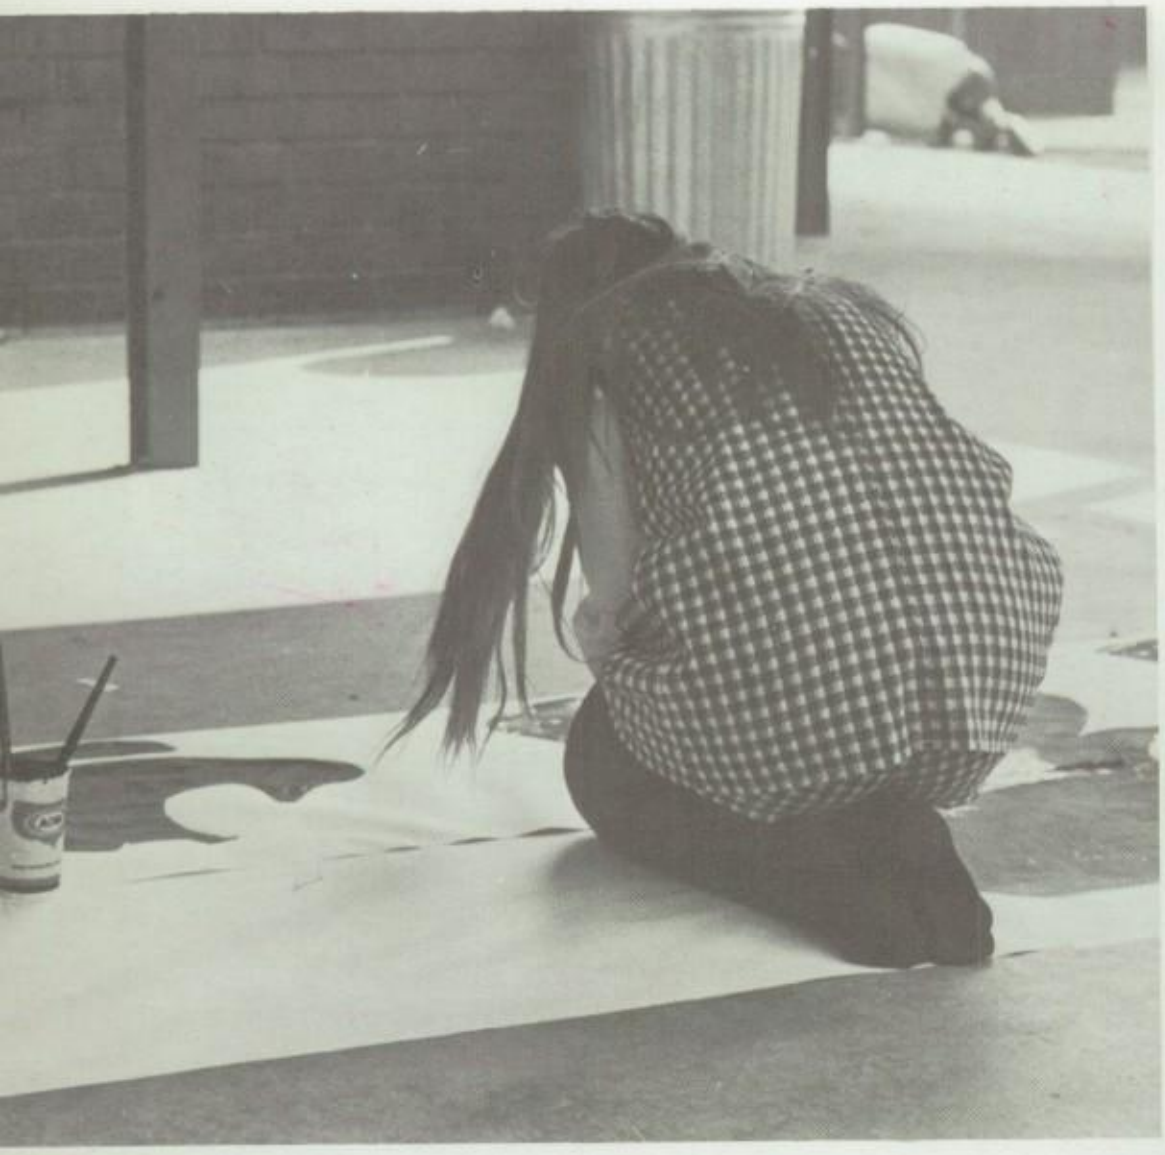
"For sure! Remember the George Sharp assembly? He was an unforgettable hypnotist."

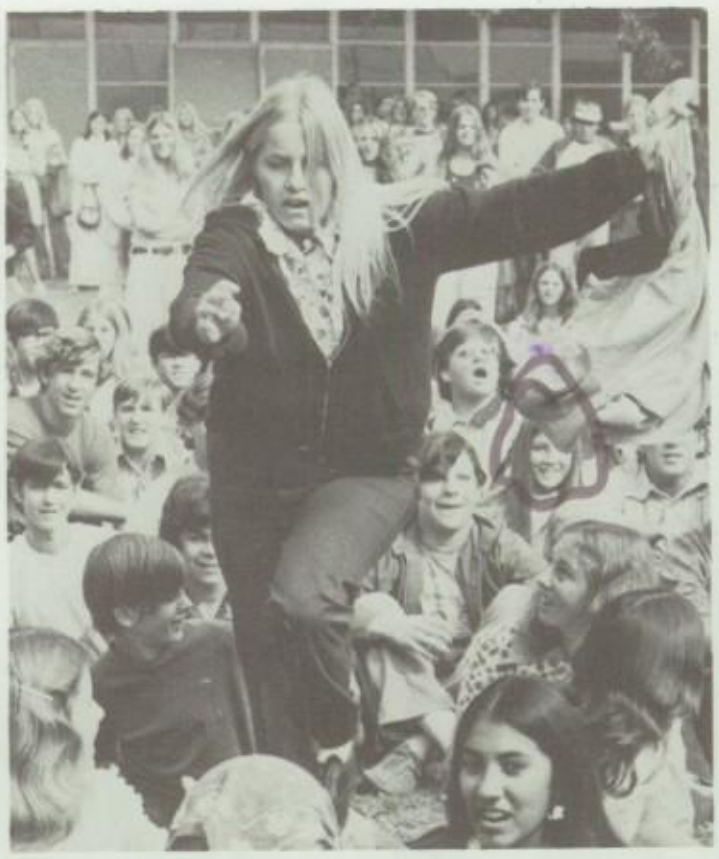
"Yes, and what about the trampoline stars and 'Hello People'? They were great!"

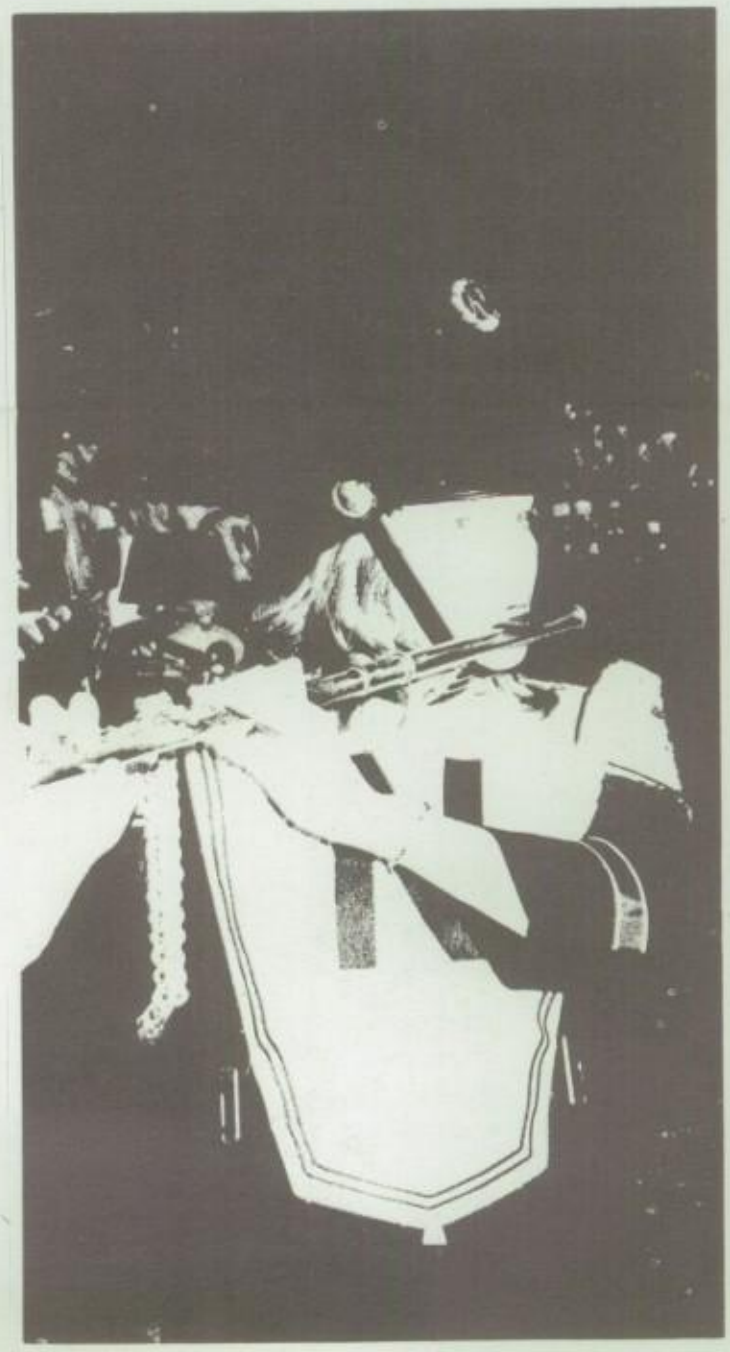
"And best of all were Mag Wheels and the Lug Nuts. They brought back the sounds of the 50's and made almost everyone wish that they had lived during that time."

"And just think, these great assemblies were only a part of an exciting year."

Assemblies draw large crowds.







Mrs Brust,

I've known you for 2 years now and I think you are the sweetest person I know (besides the most talented.) I've really had a blast being in your class one year and then your aide the next. I really want to thank you for all the help you've given me at N.H.S. It really been a great help. I've never really had a teacher student relationship but I am glad I do with you. You're really a super special person.

1 girls league

This past year, like every year, we wanted to do something special. Well, we put our heads together and came up with the All Girl Revue. With a lot of work we managed to come up with enough money to sponsor the Christmas Ball at the Diamond Bar Country Club.

Instead of a Big and Little Sister Tea we had a Bar-B-Que to acquaint all freshmen girls with Northview. After the Drill Team and Pep Unit performed, the little sisters were taken on a tour of the school.

Again the annual All Girl Slumber Party was a great success. We ate pizza, played volleyball, and watched a great movie.

We really worked hard and it all paid off. What a year!

Now's my chance!

I didn't think it was all that funny.

You're kidding!

2 drama club

Drama Club, as you all know, is a club for those who have or would like to develop theatrical abilities. Through continual encouragement and direction we were able to achieve this goal.

We passed out suckers to promote the play FLOWERS FOR ALGERNON

We passed out suckers to promote the play FLOWERS FOR ALGERNON and sold golden mum corsages for Homecoming to raise enough money to produce the play.

As a whole, we had a lot of fun while working together to produce some really great plays.

I a.f.s.

It's going to be super hard to top this year's A.F.S. because we sure worked hard and got it together.

For those who don't know, A.F.S. (American Field Service) is a club interested in communication with foreign countries. That's why we sponsor an exchange student who comes from a foreign country and lives with an American family during her senior year.

"Fun" was just about the only word to describe this year. We went to the L.A. County Fair, had a reception and picnic for all the A.F.S. clubs in the area. The picnic was especially fun because we had a jack -O-lantern carving contest which we won. Our prize—one candied apple to be divided among 15 messy carvers.

Selling suckers and having car washes were just a few ways we raised money. Plenty of time and hard work was put into these activities and every bit proved worthwhile.

We will always remember this year as one filled with picnics, parties and communication - our chance to share a part of us with one more part of the world.

Oh Fran! That was bad.

2 pep club

Talk about pep! We sure had it this year. We did many things and worked very hard promoting school spirit. "Knock Azusa on their Aztecs" and "Lace the Lancers around the Old Oak Tree" were just a few of the snazzy slogans used on posters at the games. We also had a "Love" carnation sale. Carnations mysteriously appeared in the classrooms. Who were they from?? How bizarre!... There was red meaning "I love you," white meaning "Friendship" and pink meaning "I care." Although many were caught by surprise, it was nice to know SOMEBODY cared.

By unanimous request, See's suckers returned this year. Their appearance stunned the stomachs of many students and turned the stomachs of many teachers!

We really had "lots" of fun this year stirring up spirit - hope you felt it 'cause it's our job and we wouldn't trade it for nothin'.

3 lettermen

We got the muscle, we got the class, we got the cool... we're the Lettermen!

To be in our club, we had to letter in a varsity sport. It took a lot of hard work and after school practice, but we're proud of our determination because it paid off.

When we weren't singing "Do you like... Rampenthal?" we were working hard to sponsor the N.V.H.S. Sports Night. Anyone could come and play basketball, volleyball, or ping pong - just to name a few. We also sponsored the Northview Wrestling Tournament which was held in the gym.

Being sports-minded, we decided to go fishing in San Diego, and to a Los Angeles Kings hockey game. Since many of us had never been to one before, the game was very exciting.

We had a good time working hard this year and besides what would N.V.H.S. be without the Lettermen.

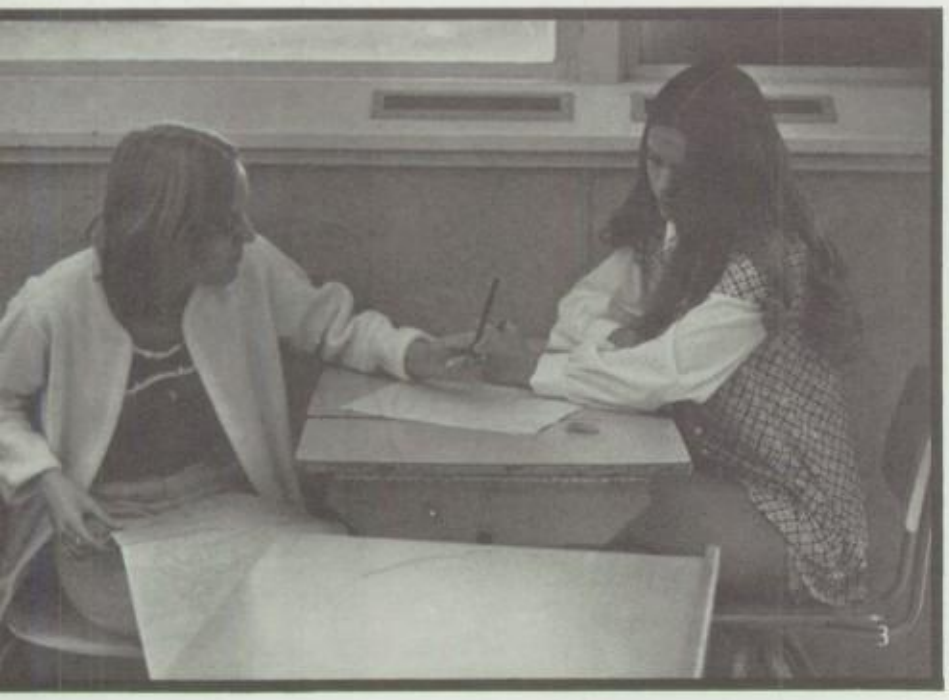
Marklinians

Marked by an exciting and prosperous year we could find no end to our good fortune.

The LeMasque Bal was a great success! The band, Southbound, was really good and Wow! You should have seen some of the costumes!

The Marklinian-Thorian Basketball game was just one of our activities. During that time basketball practice became very common among us, but the time spent was fun and worthwhile.

We also sponsored the 50's dance, another favorite, and participated in the P.T.A.'s Boutique.



I'll show you just one more time.

it can't be that funny.

2 n.v.t.v

Anyone who wants to learn or gain experience in the audio-visual field can become a member of the N.V.T.V. crew.

We videotaped football games, cheerleading competition practices, and television programs for classroom use throughout the year.

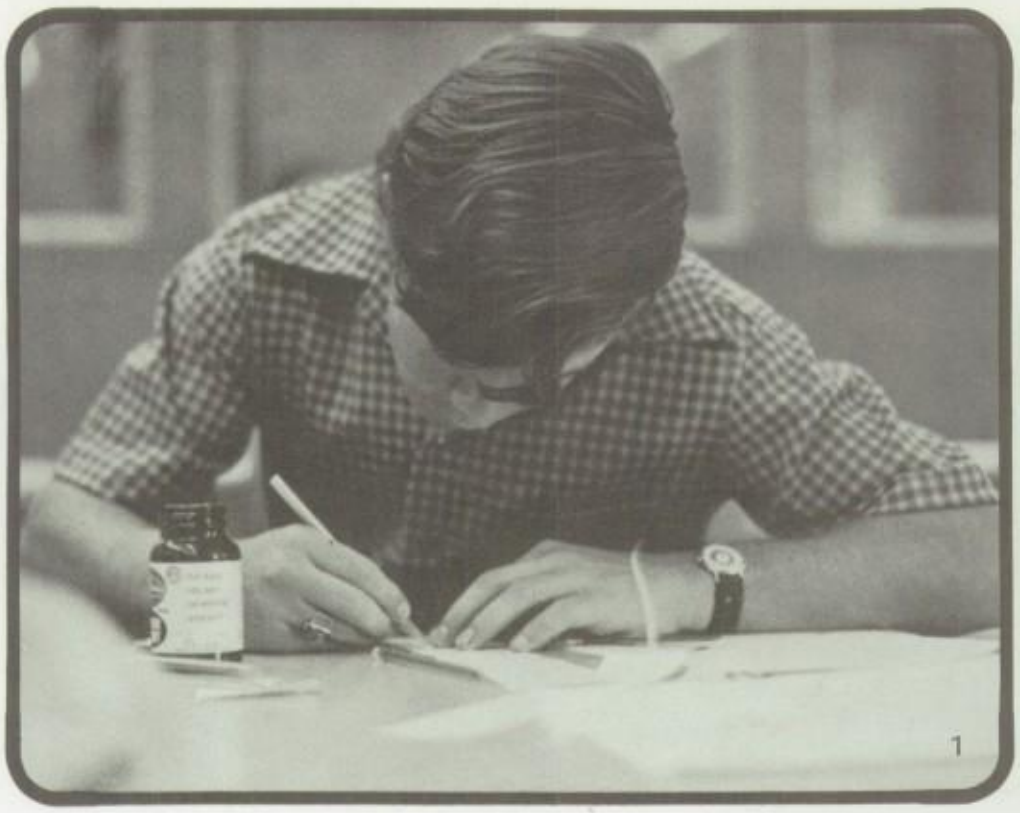
Any club or group that needed our service always found that we were more than willing to do whatever we could to help.

We worked hard, learned a lot, and had a great time doing it!

3 art club

Art Club offers us an opportunity to express ourselves creatively.

Early in the school-year we took part in Eastland's Christmas Tree Dcorating Contest; for which we received twenty-five dollars prize money. Neat, huh? The money was saved for a field trip which we took at the year's end. A lot of our talent was displayed at the P.T.A. Fine Arts Night. We also worked with the La Raza Unida in sponsoring a Cinco de Mayo art show.



We'll put this right here...

I know you're in there.

ANOTHER mistake!

Valhalla

As members of the Valhalla staff we have always played an important part in keeping everyone informed about campus news.

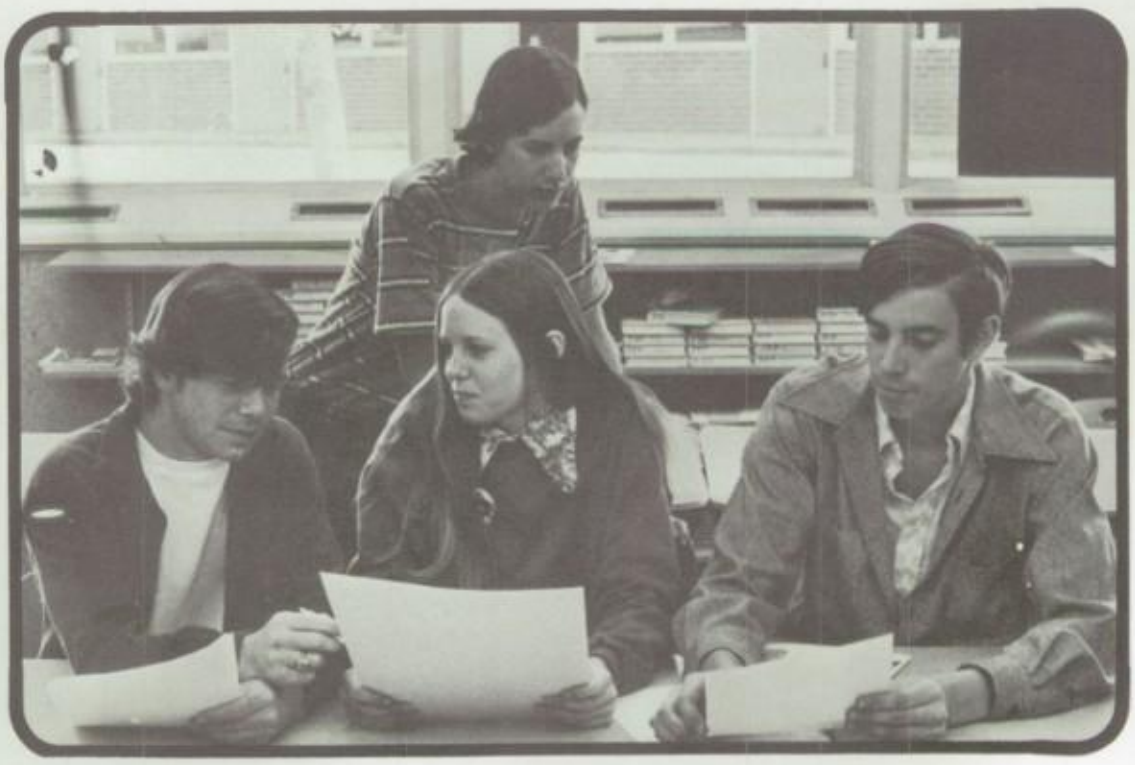
This year we made a few changes in the Valhalla; for the better we hope. The former "Would you Believe" is now "Newsbites" and we added the "Viking Superstar" to the paper. Along with "Thumbs," "Viking Forum" and others we kept everyone aware of sports, up-coming events, and, naturally, a lot of juicy gossip!

Through a joint effort we came out with a great newspaper!

Editor: Becky Gardner

Is this an A or a Z?

Asst. Editor: Don Hanson



Page Editors: R.Smith, P.Ahrens, and D.Cox.

These are the facts so get them straight.

1reflections

As the sun filtered through the clustered trees everything glistened - it was the beginning of another day in the creation of Northview's REFLECTIONS.

It seemed that each new day inspired us to write something special. Whether it was a poem, a story, or just a pencil sketch, everything was exciting because it was all going into the REFLECTIONS MAGAZINE. Even though REFLECTIONS MAGAZINE implies that only club members contributed, many other students also donated their works of art to make the magazine more complete.

Because the REFLECTIONS MAGAZINE was a big and costly project, we had a few fund-raising activities. We sold everyone's favorite, tender, tempting, morsels of red licorice, and Viking autograph books which came in handy at the end of the year. We feel that as long as any form of art exists there should always be something that can bring it closer to the people, and that's why our work is so important to us!

2key club

As a service club, we try to understand and meet the needs of other people in and out of our community.

This past year, we helped raise money for the Muscular Dystrophy Drive, and participated in the California Walk for Health. At Christmas time, we got together gifts which brought smiles to our Senior Citizens and to the children who benefited from our contributions to the Marine-sponsored Toys for Tots campaign.

The third annual Governors' Gala - a big event for us - was held at Busch Gardens. It was a formal dinner - dance held in honor of Michael Lucia, the international Governor of Key Clubs, for his outstanding service throughout the year.

This year was great for us. We had fun as a club and learned more-that it is PEOPLE who really count!

3peace makers

You can't sell it, it's not free, it doesn't come easy ... it's peace, THE most important word to the Northview Peacemakers.

Whenever problems arose, we called a meeting as soon as possible. Since we didn't feel a president was necessary, meetings were more of a discussion with everyone making his own contributions.

Our members were a cross-section of students chosen by peers. We attended meetings and took back accurate information concerning our friends so harmony could be established between everyone on campus. Discussion about the importance or unimportance of rules and regulations was also brought out in the open.

Peace is a word that isn't very often exercised and that's why our organization was a step in the right direction.

Ithorians

As one of Northview's service clubs, we've been very busy this year. What did we do? An Easter party for underprivileged children was just one thing we did. We earned money by selling candy canes. As usual we held the annual Valentine's Ball and this year we offered SINGING valentines! You bought 'em, we sang 'em! A Thanksgiving progressive dinner, in which each course was served at a different house, was another way we earned money. This year sure was hectic, but we enjoyed it.

2 c.s.f.

It takes a lot of hard work to keep our grades up to C.S.F. standards, but we managed to find time for other things, too. We visited colleges in hopes of finding one to our liking. Getting together with South Hills and Covina High Schools for a picnic was really fun. Our Book Fair turned out to be a great success and enabled us to go on more field trips to places like Disneyland! We raised money by selling chocolate Easter eggs and having carwashes. A dinner was held to install our new officers and welcome the new members. We even held a cartoon festival! Guess who the star was?! Your favorite and ours—the Road Runner! We had a lot of fun this year and hope to keep our grades high enough to insure us another year in C.S.F.

Wait a minute! The teacher is coming!

Is she going to tell us that story again?

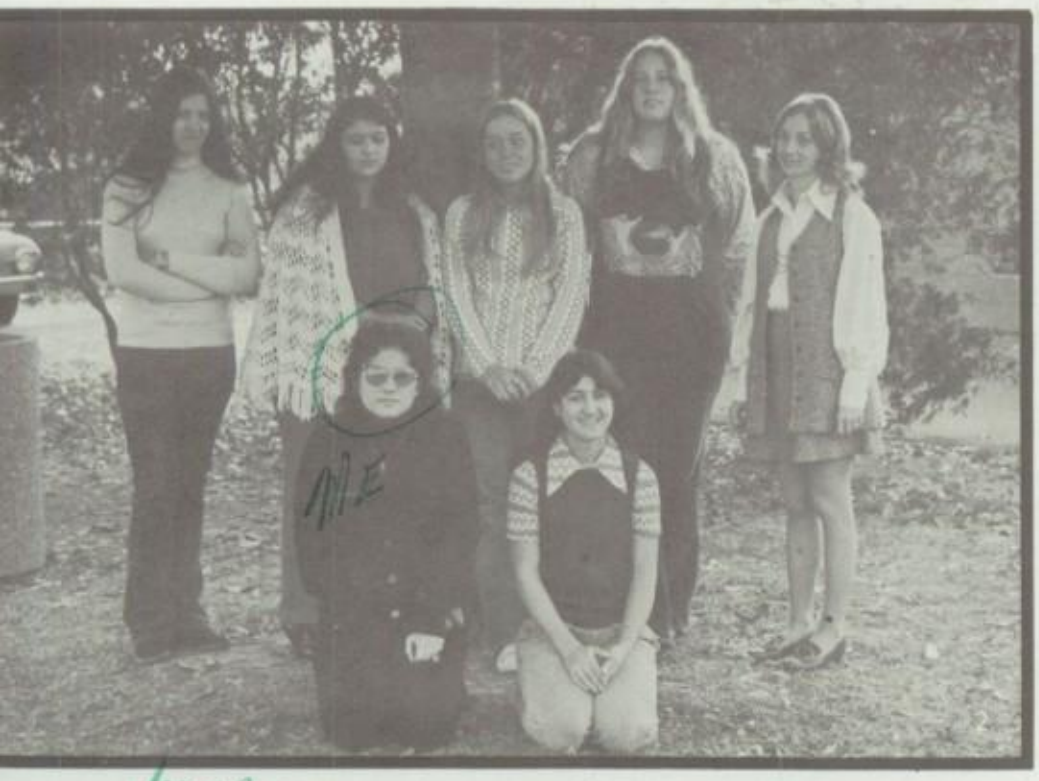
1 inter-club council



Kneeling: Leanne G.Gentry, P.Babaquitis. Sitting: C.Hart (Pres.), C.Pavon, L.Barr, V. Andersen, Miss Marmis.

Inter-club council includes representatives from each club on campus. We share our ideas on what club purposes, qualifications, and effectiveness should be and whether or not they meet them.

Our club's purpose is to better communications between clubs on campus. One of the activities we participated in was painting the students' parking lot's bunpers black and gold.

This year we enjoyed working with each other to meet our goals. We feel we have strengthened the feelings between clubs and help develop pride in all clubs.

You're kidding. . . aren't you?

2 f.h.a.

As Future Homemakers of America, we work hard to build better homes and families for the future. We develop good grooming, household and sewing skills.

Consequently, we will be prepared for the future and have a better understanding of home economics' basic principles.

3 id unians

Filled with fashion and fun this year was very rewarding for us. Dedicated to improving our personal appearance, we took part in a demonstration of cosmotology, which was very helpful in teaching us how to apply make-up effectively. And, as in the past, we planned our annual fashion show. We really got into make-up and modeling and enjoyed ourselves while doing it.

Icleff dwellers

Industrious - that's US! By raising funds for the choral department we were able to bring about some long awaited and exciting activities.

How did we do it? Selling all kinds of stationary, almost everyone's favorite - yummy licorice and tickets to our "ham give-a-way" in which some lucky duck won a ten pounder!

Instead of running off with all that money, we decided to do something clever ... like sponsoring the "good ole Sadie Hawkins" dance. We were also in on a soc-hop and most important, the choral department's San Francisco tour. On the local scene, we helped the choirs sell tickets to their annual Christmas and Spring concerts.

As you can see we had a very busy year, but we enjoyed every bit of it. We know music is important and helping to make it possible here at Northview is our job.

2cagers club

Just as soon as basketball season got started, Cagers club got rollin'.

Because anyone could join, we were a mixture of basketball players, basketball statisticians, and many of us just plain basketball lovers!!

Donkey basketball, an all-time favorite here at Northview, was again sponsored by US! Donkey Basketball???? Well, it was riding a donkey and playing basketball-at the same time! It wasn't as difficult as it sounds. The rider had to be on the donkey or he couldn't move the ball. If he lost the ball, he had to push or pull the donkey - which was easier said than done - over to the ball so the game could start again. Since this was our biggest fund raising event, we put a lot of hard work into it and got a lot of satisfaction knowing that we did something more to promote interest in a great sport - basketball!

That's the first nice thing you've said about me all year.

Now that you've got us lined up, what are you going to do with us?

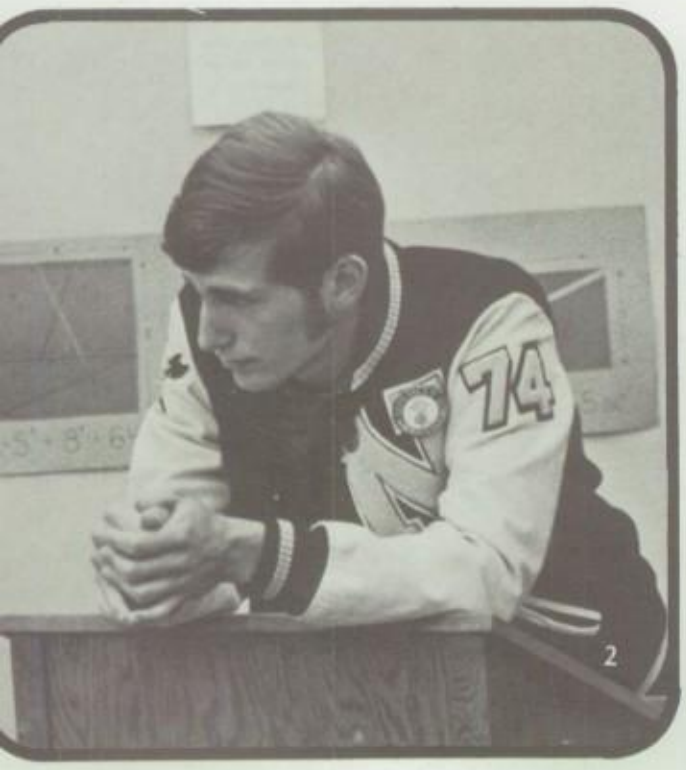
3 la raza unida

Unity, pride, and social awareness that's what this year's La Raza Unida was all about!

Learning and appreciating our Mexican heritage was the main purpose behind our club. We took field trips to museums and learned much about our history.

Selling Pan Dulce, Mexican sweet bread, turned out to be a real success. It was so popular that no sooner had we brought out a batch than it disappeared. We raised a lot of money selling Pan Dulce and it certainly helped to finance our field trips.

We found our club to be very meaningful to us this year. It helped us to understand that being proud of our heritage is so important and that we should learn as much about it as we can.



Oh, wow! Some of the questions you guys come up with.

I just swallowed my gum.

Did I hear what I thought I heard?

1 history club

Keeping the history of our city and state alive isn't an easy job, but we proved it could be done. We gave students a chance to go back to the old days by going on prospecting expeditions. A trip to Calico, a California ghost town, was also part of the fun we had this year. We helped people remember the heritage of Covina by inviting Don Pfleuger, author of books on Covina history, to speak to the students of Northview. We also planned to have a marker placed on the corner of Azusa and Cypress in memory of the original owner of the land. What we've really done this year was to remind ourselves and others of the history that has been forgotten.

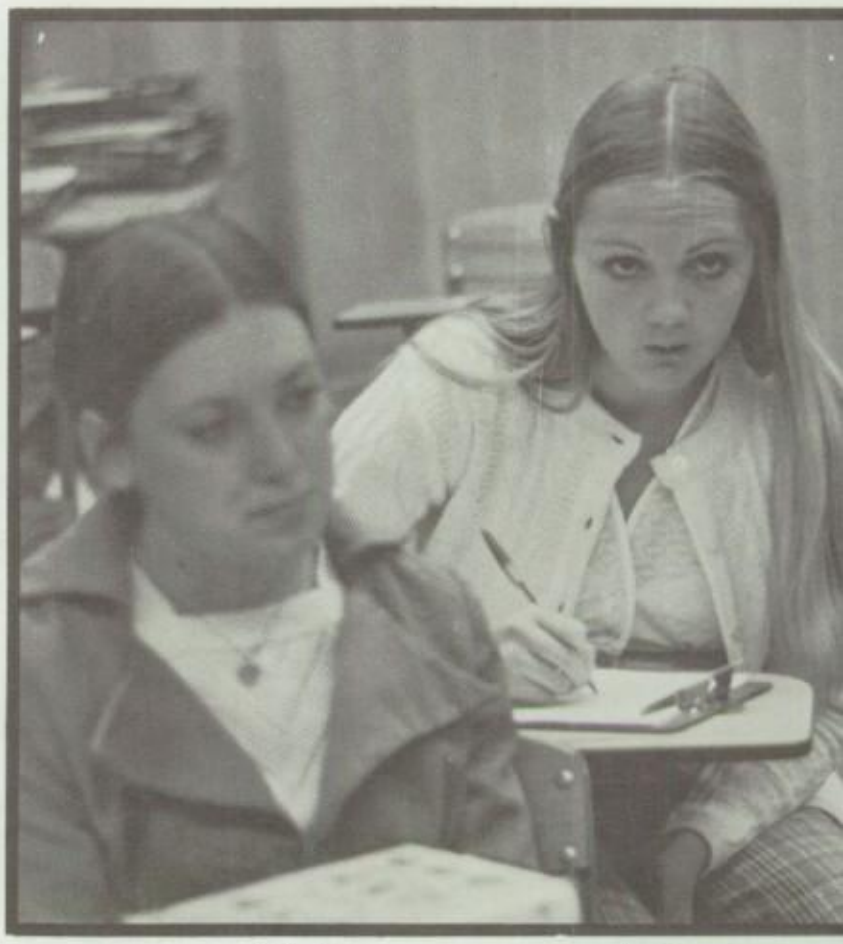
2 spanish club

Our club, the most international on campus, was the place for all you travel-orientated people to be this year. We went as close to Spain as we could by visiting Padua Hills and Olvera Street. At Padua Hills, Mexican actors presented plays with songs and dances of early California and old Mexico. The oldest Mexican-orientated street in Los Angeles, Olvera Street, added to our knowledge of Spanish culture. Picnics and trips to the snow were also on the agenda. We became connoisseurs of Spanish food as our meetings brought us new and tantalizing Spanish dishes to try. We've had a lot of fun this year and found that learning Spanish CAN be interesting.



Would you mind repeating that?

3 graphic arts

Printing might not sound exciting to you, but we think it's a lot of fun. In very relaxed surroundings, we were taught the processes involved with printing. We made and sold the annual Northview calendar and this year it was done in black-light colors. Sponsoring a wheelchair Basketball game enabled us to go on a camp-out at Palm Springs, and to a movie and concert in Hollywood. We also visited the graphic communications departments at Cal Poly San Luis Obispo and the Los Angeles Trade and Technical School. We did a lot this year and enjoyed every minute.

I mixed choir

We have done quite well for first-year music students at Northview, singing at concerts, churches, and schools.

Along with the other choirs, we performed in a Christmas Concert at Covina Methodist Church. It was a lot of fun, but scary because it was our first major concert. We came into this class not knowing very much about high school music, but have been well taught by Mr. Lindsey.

2 concert choir

Our second year in the music department held just as many new happenings as our first year. We have sung at many different social gatherings at churches, elementary and various junior high schools in our area. This practice was for our Christmas and Spring Concerts. We had a new experience this year in wearing robes instead of dresses, which was a pleasant change. We all hope to be part of the Viking or Chamber Choir next year.

1 viking choir

Though the tests we must pass to make the Viking Choir are difficult, all are worth the effort. For the pleasure and fun we got out of singing at places like St. Josephs Church in Pomona or different schools, we had to put in a lot of time and hard work. We had a great group this year, and hope to have an even better one next year.

Doesn't that piano need tuning?

2 chamber singers

Being a Chamber Singer proved most rewarding. After a stiff music test, which took a lot of talent to pass, we started rehearsals after school. Since this is not a class, we received no credits. Besides accompanying the Viking Choir to churches and schools in our district, we entertained by ourselves at Cal Poly West and Honeywell. So we are really thankful for having a very rewarding year. We were happy the year turned out successfully, because we worked hard.

Is that a voice or is that a voice?

Oh, I forgot my sheet music.

MONTVIEW no.1

Varsity football shared the Montview League Crown this year with three other teams. Baldwin Park, Rowland and Workman had 5-2 records, also putting them in the number one position. The Viking machine was unable to go to CIF playoffs as they lost the toss of the coin.

The mighty Vikes boasted the number one AA defense in the Valley. This was shown not only statistically, but also by the voting of all the coaches. The defensive squad allowed only 48 points to be scored against them as the offense totalled up 135 through the season.

On the first team All-League were John Balazs, Dan Monka, and Eric Hasemeyer. Mike Loe, Jim Escobedo, John Sheldon, Manuel Simpson and John Irvin all made second team All-League. John Balazs made first team All-Valley, while Eric Hasemeyer and Dan Monka made second. Mike Loe was voted Viking of the Year by the Boosters Club.

Rich DeRosa, first time head coach, demonstrated fine leadership as coaches Jim Milhon, Mike Westphal, Mel Bantau, and Dave Miles assisted him in making the team strong. Each coach did his part in preparing the mighty Vikings for their encounters against league contenders.

Sophomore Spirit!

When we get 'em, we get 'em good!!!

The Sophomores experienced a trying and disappointing season which ended with a 0-9 record. Even though they had no wins, the team still fought on with great determination. Despite their record, the team showed fine ability with Dean Day and Doug La Valley standing out on both offense and defense; and Jim Esser and Dan Balazs alternating as quarterback.

In his first year of coaching, Rick Wilkes led the Soph's through many hard practices and games. Bill Mann, who assisted Coach Wilkes, helped in training and preparing the team. With a little more practice and experience, the Sophomores should develop into fine varsity players.

FRESHMAN

Steve Beckley did an excellent job in training and readying the Frosh for their games. This year was Mr. Beckley's first year coaching at NVHS. He was assisted by Tim Alley who is an alumnus of Northview's football team. As they worked with the freshmen, many of the players proved to be very capable. Tim Carrico and Ken Rogers showed great strength as the season went on. Their record of 4-5 placed them in 3rd over all in the Montview League. Next year should be a very successful year with these fine athletes making a strong Sophomore team.

Varsity Cross Country had their most successful season in four years. The team ran against tough competition to compile a 4-4 record, putting them in fifth place. Although this was Maury Greer's first year of coaching, he did an impressive job of providing the proper training needed.

The harriers were led by Bill McPherson, Eric Freed, and Doug Best. All three were strong runners and returning lettermen. The team showed substantial improvement which will help to make an even better team next year.

You guys are 1/10th of a second behind, Come on guys, pour it on!

Mr. Greer had all the qualifications necessary to direct the J.V. Cross Country team to a successful season. Besides his own experience in Cross Country, he had a fine squad to work with. The harriers ran long distances each day in preparation for their meets. Coach Greer often accompanied them to keep in shape for his own CIF running.

The J.V.'s produced a 4-4 season, an improvement over last year's record. Led by Ken Best, Henry Best, Brian Curley, the J.V.'s gained experiences which they can use as Varsity hopefuls next year.

Varsity Basketball began the season by making a strong showing in the Upland-Montclair Tournament, placing fourth. They also placed fourth in the Valencia Tournament. The team started league action with a 6-7 pre-league record behind it. They finished up with a disappointing 6-8 record.

Norman VanGinkle, team leader, Bob Bishop, Ron Lancaster and Greg Smoyer, led the squad in scoring. Smoyer's season was cut short as a result of an injury. Dave Robinson, also a team leader, was brought up from the J.V. team early in the season. He proved to be quite an asset as he was a great ball handler, and was consistently good on defense. Brian Vinson, the team's 6th man, showed great skill and ability. John Irvin was a hustler and good defensive player. Peter Shpak, the only sophomore on the team, showed promise for next year's Varsity. Bill Warren was a quick defensive player. Bill and Norman also were leading rebounders.

The Varsity squad had close games all year as 13 were decided by 4 points or less. Coached by Ron Rice, the team had an over-all good, although inconsistant season.

Sophomore basketball, coached by Steve Beckley, had a disappointing season. The team didn't perform as well as expected and obtained a record of 2-12. Leading the team in scoring were Terry Brungard and Harold Hippler. Brad Peters, center, and Bob Mondry, forward, showed great promise. Tom McKillip was the best rebounder. Terry Brungard and Harold Hippler, along with Bill Hotaling, made up the backbone of the defense. Overall, the Sophomores were a fine group that fought hard all year. These players should be a credit to Northview's basketball teams in the coming years.

Jeff White, averaging 14 points a game, making 60% of his field goals, led the team in scoring and rebounding. Following close behind were Greg Gillespie and Don Lindgren, averaging 11 points each. Forwards Joe Weaton and Mark Vasilchak, and guards Ken Rogers and Greg Skahill, all showed outstanding ability. The team averaged 53 points although they made only 50% of their free throws. Winning their last 5 games, the Frosh finished up league action 9 and 5, in third place.

FRESHMAN RESERVE

Freshman Reserve, despite their valiant effort, had an unsuccessful season. Leading the team in scoring were Dave Hahn and Don Kerr, who also showed defensive quickness. According to Coach Jim Pashone, Mike Cunniff proved himself to be the most dependable on both defense and offense. He and Mike Borra were the team's formidable rebounders. The reserves ended the season with a disapointing 1-13 record.

Varsity wrestling demonstrated great strategy and skill in placing first in the Arcadia Quad and overpowering in the duel with Gladstone. As the season progressed, Northview placed second in the Covina five-way tournament. Gerald Singh was awarded the first place medal in the Northview tournament while Kaz Kikunaga and Don Richards were given second place medals. After the battle the Vikes placed sixth. Mike Fraijo and Joe Barragon took third in the Chaffey tournament, while Bobby Singh won a well-deserved second place medal in the 98 lb. weight class.

Dean Day had an overall record of 4-3 for the league. Eric Freed was third in the league and Ray Higa, wrestling in the 115 lb. weight class, came out with a 16-9 record, taking second in the league. As the season ended, Dave Hontz had an overall of 18-7 and right along with him was Mario Martinez taking third in the league. Eric Hasemeyer had an overall of 6-9 as Ivan Ray had 2-5 in the league, and Jim Worrel was 0-3 in the league.

Because of their superior records, Mike Fraijo, Ray Higa, Gerald Singh, Kaz Kikunaga, and Don Richards had an outstanding year as they were all able to attend C.I.F.

Coach Jim Milhon led the Vikes through a very rewarding season. Through past experience Coach Milhon found that work-with this group of grapplers, proved to be one of the most rewarding of his career.

There were no tournaments, but in league wrestling meets, 115 pounder, Carl Freeman had a record of 5-0 for the year, while heavy weight, Benji Gallegos had an undefeated record of 7-0.

Gary Miller, Humphrey Hopman, and Pete Fortugno all had overalls of 4-2. In the 123 pound weight class was Rick Mercer, who had a 3-1 in the league. Todd Camasta ended the season with a 5-1 in the 130 pound weight class.

Under the directions of Rich DeRosa they have had an outstanding year. Coach DeRosa hopes to have seasons even more successful than this one has proven to be.

After the delay of four cancelled meets, track and field finally got under way in the league opener against Bassett. Acting as tri-captains for the team were Robert Boada, Jeff Fleming and Bill Pry, all returning lettermen. Both Boada and Pry were part of the 440 yd. relay team, along with Scott La Valley and Mark Fischer. Boada also ran both high and low hurdles as did Fleming. Speeding in the 100 and 220 yd. sprints were captain Pry and Mark Fischer. Northview's distance men, Doug Best, Henry Ynez, Bill McPherson and John Fetcho, found their cross country experience held them in good stead. In other track events Northview saw Ed Krug, Ken Best, Neal Van Der Aarde and Eric Freed in the 880, while Krug, Tony Faith, John Cameron and Brian Curley ran the mile relay. Other trackmen included Bill Warren and Scott La Valley as hurdlers and John Cameron, the Viking 440 runner.

In the field events, high jump, long jump, pole vault and shot put, Northview's contestants showed much strength and determination. John Balazs, Tony Faith, Dale Shores and Stan Stupor entered competition as Viking shot putters, while Tony Camasta, Rob Garrettson and Richard Waas reached new heights as pole vaulters. Bill Warren and Scott La Valley, aside from their efforts as trackmen, competed in both the high jump and the long jump, as did Sam Rowell. Northview's other high jumper, Ron Ewry, also displayed fine talent on the field.

Unlike cross country, track and field scoring is done by awarding the first, second, and third place man 5,3 and 1 points, respectively. At the end of the meet, these points are totaled, the victor being the team with the most points to it's credit.

Despite a defeat in the league opener, coaches Westphall, Wilkes and Greer expect a successful '74 season hoping to pave the way for even more victorious years ahead.

SOPHOMORE

Nichols clears bar with ease.

Despite its few members, this year's sophomore track and field team displayed a lot of effort and talent.

The green grass of the infield saw Rick Adams in the pole vault and David Jones and Harold Hippler as long jumpers. Greg Hahn saw action as the sophomore high jumper, while Bill Nichols, another pole vaulter, engaged in heavy competition on the track as a 100 yd. sprinter and a member of the 440 relay team. Nichols relay teammates were Hippler and Kurt Kuntzman, who was also a hurdler and sprinter for the sophomores. Viking 440 men included Hahn, Steve Pullen, and Shaiterer, all of whom also ran the mile relay. Northview also saw Pullen compete in both the high and low hurdles. Jeff Bunker, the sophomores' only distance man, kept up a steady pace and effort to help him to many 2 mile victories.

Working with the varsity team at practices helped many sophomore track and field men realize the continual effort and determination needed to secure a seat on next year's varsity. It also gave the entire Viking track team incentive to work as a unit toward a successful season.

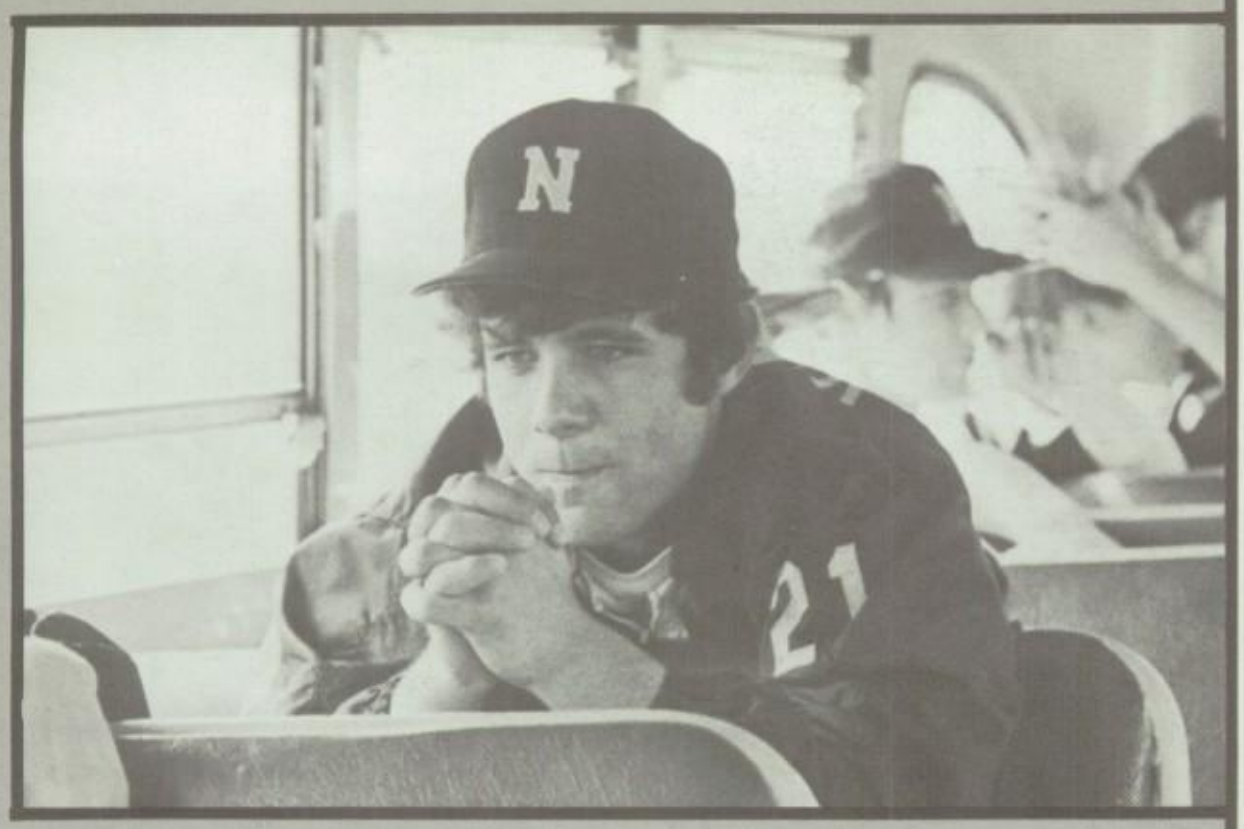
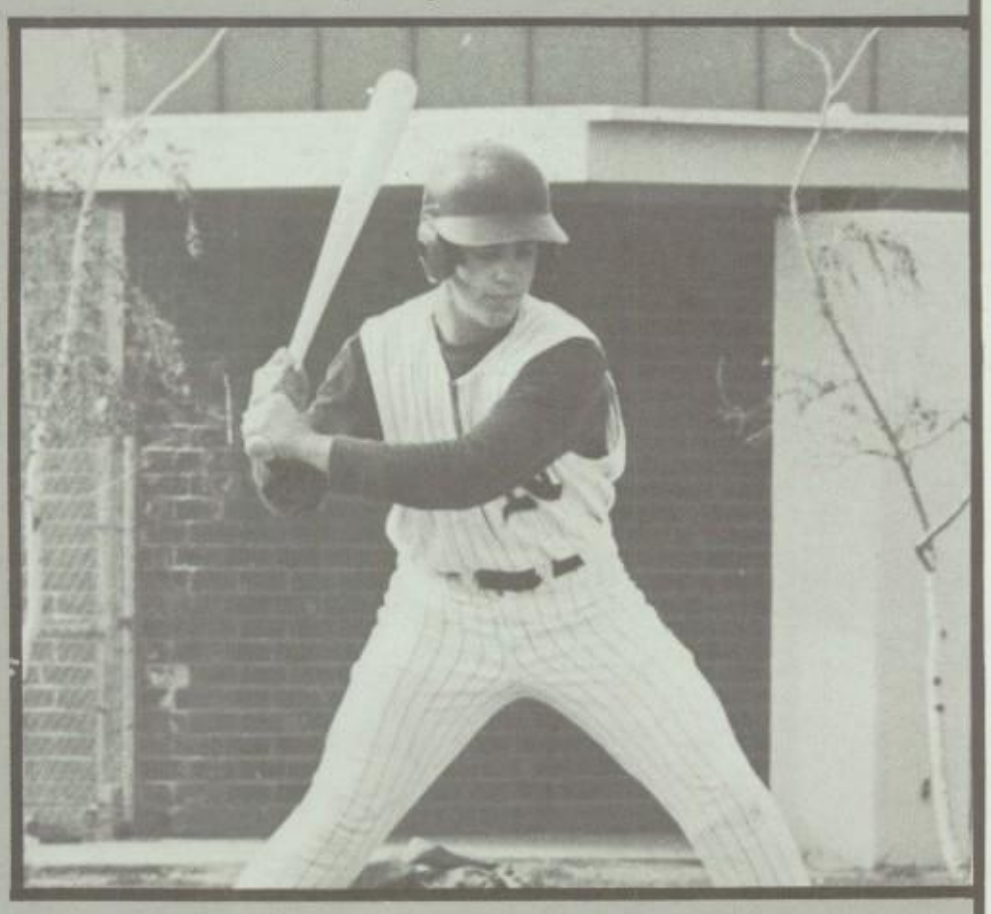
DIAMONDMEN RACE FOR TITLE



Costello contemplates game ahead.



Primante waits for hit.

Beginning the season with a positive outlook, the varsity baseball team showed strong determination, attempting to capture the Montview crown.

Returning lettermen this year are Mark Clear, one of the best pitchers in league and junior Bob Costello, who was strong at the plate. Jim Wilfong, team leader and excellent outfields, and John Irvin, outfielder and utility infielder, are also returning lettermen.

Pitching were juniors Joe Bradley and Dan Wirth with Val Primante and Charlie Custer supporting them behind the plate. The infield saw Larry Wilson at first base, Chris Cashen and Rick Haines at second, and Dale Adair at short stop. Dave Stoenner did an able job backing up the infield, while Jeff Bodet showed hustle in the outfield.

Being an explosive and exciting team, coached by Mel Bantau, Varsity Baseball enjoyed a prosperous season.

Row 1: E.Brown, B.Tracey, J.Delong, D.Robinson, D.LaValley, B.King. Row 2: Coach J.Chris, B.McKinely, D.Mackey, J.Pesceone, R.Hartert, J.Suarez, D.Day.

With three years past experience, Coach Jerry Chris again led the J.V.'s through a most satisfying season. Pitcher Erick Morrison proved best on the mound with Bob Tracy supporting him behind the plate. Dave Robinson showed outstanding ability at second base, while Jim Pesceone at first, Jeff Delong at short, and Robby Hartert at third all displayed speed and accuracy at their positions. Outfielders Bob Fowler, Doug La Valley, Dean Day, and Ed Brown played with determination giving the infield great back-up. On the whole, the team did a great job offensively and showed remarkable promise for a successful season.

Through experienced coaching and hard work the J.V.'s proved to be a cooperative team and good prospects for next year's varsity.

FRESHMAN

The Freshmen got off to a strong start with a pitching staff consisting of Ken Rogers, Mike Ferguson, and Dave Bradly with Joe Wheaton catching. The infield was played by Mark Vasilchek, John Priddy, Chris Richards, and Mike Cunniff, while Bob Singh, Greg Skahill and Steve Sidore backed them up in the outfield.

Pitching proved to be very consistent and was the strong point of the team. Driven by Coach Cal Evans' support, the boys strived even harder to make themselves a better team.

Although inexperienced, the Freshmen displayed outstanding skill and ability.

Row 1: J.Wheaton, J.Priddy, D.Love, G.Skahill, D.Browning, C.Richards, J.Sopko. Row 2: C.Hill, C.Hinderson, B.Singh, G.Garretson, B.Fowler. Row 3: M.Cunniff, S.Sidore, M.Ferguson, D.Bradly, D.Lindgren, C.Evans (coach).

VARSITY TENNIS

Row 1: M.Rey, J.Manning, B.Popilsky, T.Tess. Row 2: Coach Rice, T.Helgerud, M.Hendrickson A.Jarvis.

The Varsity Tennis team showed great skill and accuracy working under the direction of Coach Ron Rice. The season was opened with tryouts by both boys and girls. The girls who tried out and made the team were disqualified by C.I.F. because they had already played tennis in G.A.A. Top players M. Hendrickson and R.Azelton, along with returning lettermen J. Manning, A. Jarvis, B. Popilsky, and J. Sandt all led to the development of a strong, self-confident team. The team has improved greatly since last year and because of their added experience will be even stronger next year.

Row 1: M.Evinger, K.Hemsley, M.Evinger, J.Walters, R.Higa, J.Nunez, T.Genovese. Row 2: B.Hemsley, H.Hopman, T.Woodward, P.Berghuis, S.Coffey.

Consisting of many skilled and capable players, the J.V. tennis team gained helpful experience this season. Each individual faced his own problems and overcame them through many hours of practice. Two such players were M. Evinger and J. Nunez. Coach Jim Pashone offered the team his undivided attention, experience and knowledge. Progress, experience, and self-confidence bring hopes of returning next year as varsity players.

Up and over!

Under the leadership of Miss Robison and Mrs. Green, the Girls' Athletic Association had a very exciting and eventful year. The guidance and coaching of both the advisors and the ability of the players proved to all opponents that N.V.'s G.A.A. was not to be underestimated.

President Kathy Margison and vice-president Paula Strande aided in planning a fun-filled year for G.A.A. Some of the events included two waterskiing trips, one just for G.A.A. and the other for G.A.A. and sixth period boys' sports. G.A.A. also had a picnic at Griffith Park with horseback riding and a water fight. The club had many fund raising projects such as the Sports Marathon, selling cards and ribbons. These activities enabled G.A.A. to sponsor the Girls' Senior-Faculty Basketball Game.

All the awards were presented and Athlete of the Year was announced at the Final Banquet. All the fun happenings of the year were brought back to stir everyone's memories to help make the atmosphere at the banquet happy, yet sad. Sad because the year was over, but happy because everyone knew that 1973-74 was G.A.A.'s best year ever!

John Irvin

An outstanding athlete, John Irvin is well deserving of this award. As a freshman and sophomore he was on the football, basketball and baseball teams and was voted Most Valuable Player for freshman baseball.

In his junior year, John was on the varsity football, junior varsity basketball, and varsity baseball teams. He was honored by making the 2nd team for All Montview League Baseball.

As a senior, he has been on the varsity football, basketball and baseball teams. He was especially honored by making the 2nd team for All Montview League Football.

As you can tell, John worked hard during his four years at Northview to show his athletic ability and for his hard work he has received well-deserved recognition.

THE YEAR

Paula Strande

Outgoing Paula Strande is truly a worthy recipient of this award. As a sophomore, Paula was on the junior varsity volleyball, varsity basketball, and varsity baseball teams.

In her junior year, she improved her skills in volleyball and made the varsity team. She was also on the varsity basketball and baseball teams. She had the highest overall batting average in baseball.

Paula's senior year has been very rewarding for her. She was captain of the varsity volleyball team and varsity basketball team. She was awarded outstanding player in both. She was also awarded her 1000 point plaque which does not come easily to anyone.

Paula worked hard to earn her awards in girls' sports and title of Athlete of the Year truly belongs to her.

to the students of Northview:
thank you,
for making this book happen.
to my staff:
thank you,
for making this book.
and to Sweger:
thank you,
for believing in me
and in this book.

...and to the others whose willing co-operation aided in the completion of this book, thank you: Mr. Roy Moore and the administration; Dave Escobedo, Leadership, and their advisor, Mr. Gale Cluff; and the various faculty members who were so very understanding about deadlines.

Miss Buist,

I have known you for 2 years. And in those 2 years I have met a lot of teachers. I think that you're one of the nicest teachers at this school. What makes you nice is that you are always smiling and are happy. You not like some grouchy teachers!! Best of Luck in the years to come. Have a nice summer in your new house!

Love,
Cindy Stephens

Mrs. Brust.

I really enjoyed the
classes and all the things that
happened in classes. Lately I've found
out just how much this blessed in Home Ec
and I know I will always use it. Thank you for
every thing.

Love,
Michele Campbell

Mrs Brust,
I have really enjoyed having
you as a teacher for the
years. I hope I have been
for a teacher next year. I
really enjoyed your class
out this year. Thanks alot, I will
always remember your thoughtfulness
life. You are really nice teacher
I hope that you always stay that
way too. Take care of yourself.
I hope to see you next house
sometime. God Bless

Love Rosemary
:)

Dear Mrs Brust,

I've really become fond of you. I'm really going to miss you, but I could always come & visit. I guess I really started liking you alot when you got really ill. Its really wierd how people get to like other people. I didn't like you a first, but I just had to get to know you more. I hope your teaching years are years you can cherish forever. I really think they will be because you're a very nice, kind teacher, (& person) Some students don't realize that teacher have to be teacher so that's why they dislike them so, but here is one student who realizes it and I'm glad I do. I wish I was on the 5 yr plan but I'm not, & even ~~though~~ I'm not if I was I would have to learn Northern anyway. (Excuse all the really's)
